Council helps hockey team to Quebec

St. Albert council (sitting as committee of the whole) gave a \$500 shot in the arm to the Pee wee "BB" hockey team for its upcoming trip to an international hockey tournament at the Quebec Winter Carnival next month.

The decision was taken at last Monday's council meeting to help offset the costs for the Quebec trip of \$6,321. About \$3,000 of this figure is expected to be raised by a bottle drive and other similar activities.

Last year the Pee wee team won the provincial championship and it was on this basis that the team was invited to Quebec.

The St. Albert Kinsmen have sanctioned the trip so all looks set for the visit to the East.

Council were a little cautious on the goodwill gifts which were to go along with the team and has recommended that this problem be referred to town staff for study.

Chairman of the Parks and Recreation Board, Lorne Wood was present when council gave the go ahead for the \$500 grant and he also brought up his anxiety at a recent council decision to have the proposed senior citizens lodge on a site near the Sturgeon River.

Mr. Wood said that he was not opposed to the lodge but the location.

He pointed out that one of the first recommendations of the Parks and Recreation Board in March 1975 was that the Sturgeon River corridor be maintained for recreation purposes.

"I feel you could be setting

a precedent when other things get into the recreation corridor and (it is) infringed upon," he added.

Councillor Barry Breadner

tried to accommodate by rescinding the motion made at an earlier council meeting for the river lodge site across from the Father Jan School.

This rescinding motion was largely opposed by council.

Mayor Dick Plain again emphasized that he could have a bar.

Councillor Lukay no puritan

St. Albert's committee of the whole looked at two documents last Monday night at the council meeting which raised a few minor ripples in council chambers.

The documents were a policy paper from the Edmonton Regional Planning Commission on parks, outdoor recreation and open space planning and the final draft of regulations for the community use of school and town facilities.

Use of alcohol on school premises remains a no-no under joint use.

But Councillor Frank Lukay got a few laughs and caused a bit of a stir when he went against "prohibition."

"Is 'it' really necessary?" he asked referring to a clause on page four of the joint agreement which forbids the use of alcohol on school premises.

"Maybe the schools should give instruction in the use of alcohol," he suggested.

The joint agreement document between town and gown seems to be a puritanical item, for Mayor Dick Plain also jumped on Coun. Lukay's bandwagon, and asked why public dances were frowned upon in the

schools.

"They would be legitimate if properly supervised," he said.

Councillor Barry Breadner

perhaps reached the nub of the problem when he observed that practically all public dances have a bar.

Town cuts back on map service

In an effort to cut back on costs St. Albert's committee of the whole decided to stop printing town maps last Monday night.

The cost of printing the 1500 maps - \$800 a year - was thought to be an unnecessary expense as council realized that the service was duplicated by a local business, as it put out its St. Albert directory at the same of each year.

Councillor Gary Wetsch begged to stay out of this one as he pointed out that his wife was on the Welcome Wagon Committee which sees to it that new St. Albert residents get a map of the town.

So it looks as though council has given the task of cartography to the St. Albert Gazette which publishes the town directory with a map supplied.

A motion was therefore carried that the maps be no longer distributed in St. Albert providing there is one in the St. Albert Directory

No snow clearance for driveways

Convinced that the town was doing an excellent job of snow removal this year, St. Albert decided against the clearance of driveways at its committee of the whole meeting last Monday night.

General upshot of a brief discussion was that to go any further on snow clearance would be too expensive for the town.

Last year it cost the town an estimated \$100,000 for snow clearance and if the town attempted to clear driveway frontages it could cost an extra \$75,000.

Councillor Frank Lukay was in no doubt that the town should not undertake to clear the driveways. He felt that the town would be billing off more than it could chew.

"You'll find a large percentage of the road to play around with and it becomes impractical," he added.

He also said that perhaps youngsters could be encouraged to help clear driveways as they liked this kind of thing anyway.

Councillor Myrna Fyfe was a little incredulous when Councillor Rod Thronson suggested that there had been a cutback on the snow-clearance service to residents, as evidenced in an increased number of snow-mounds by driveways.

"I've never seen so many mounds of snow in driveways before," he told council, and asked if there had been a

cutback of service.

Coun. Fyfe pointed out that the mounds could be caused by wind accumulation.

She was in favour at least of a demonstration by town snow removal crews to see if an extended removal program was feasible.

Councillor Margaret Smith was against the driveway clearance. She said that everywhere she'd lived in

Canada "we've had to dig out of the driveway."

"Service," she added, "cannot be provided on the first run through." She also felt that the extra cost of \$15 per household for the extended service would be too much.

Mayor Dick Plain finished off the discussion saying that town snow removal had got so efficient "we've got down to the pavement again."

Voters say No to complex Yes to annexation

Voters turned down the money bylaw for the Rec. Complex yesterday with 2148 ballots against the complex as opposed to 1250 in favour.

Unofficial figures showed a total vote of 3398 on the Rec. Complex and 3408 on the annexation, which represents about a 30 per cent turnout of the approximately 12,000 eligible voters.

Out of 33 polls 25 were recorded against the complex and eight were in favour. Braeside, Forest Lawn, Sturgeon, Akinsdale and Grandin districts were solidly opposed to the complex with Lacombe Park and Mission in favour.

On the question of the proposed annexation of over nine sections of land to the east of town for a site for industry there were 2307 ballots in favour of the annexation and 1101 voted against.

Poll by poll official results will be carried next week.

Hill-Wakefield united in double ring ceremony

Robertson Wesley United Church was the scene of a beautiful autumn wedding on October 10 which united Debbie Lynn Wakefield, youngest grand-daughter of Mrs. N. Wakefield and the late Mr. R. L. Wakefield, and Guy Glen Hill, only son of Mr. and Mrs. Glen Hill all of St. Albert.

The altar was flanked with baskets of flowers where Rev. Oakes performed the double ring ceremony.

Given in marriage by her Godfather, Mel Wakefield and Guardian Grandmother Mrs. N. Wakefield, the bride was lovely in her floor length gown of white voile featuring a fitted bodice with a

stand-up collar and an insert of lace studded with pearls and sequins and trimmed with scalloped ruffles. The long chiffon sleeves were applied with lace flowers, pearls and sequins. Two rows of scalloped ruffles trimmed the front of her dress around the hem into a long flowing train. Her

waist length veil was held in place by a cap headpiece of lace, studded with pearls and she carried a cascade bouquet of baby orange roses, wib roses, carnations and mums. For something old, something borrowed the bride wore her Godmother's wedding band.

In any event Councillor Rod Thronsdon backed the rights of the school boards to call the tune forbidding public dances, games of chance, lotteries and gambling in school facilities and on school grounds.

"We have no choice but to accept this," he pointed out.

ERPC POLICY PAPER

As council perused the policy paper on open space planning, outdoor recreation and parks, it zeroed in on a number of points which directly affect the St. Albert and Sturgeon area.

The committee of the whole was in general agreement with the ERPC's policy of protecting the Big Lake area for recreation and outdoor education. And council carried a motion asking the ERPC to request the Department of the Environment to buy land around Big Lake for this purpose.

There were some doubts however about whether this

would be compatible with Big Lake's role as a wild life sanctuary, as expressed by Councillor Myrna Fyfe.

Access to Big Lake would have to be preserved, Councillor Margaret Smith pointed out before the protecting motion was carried.

On Big Lake's role as a wild life sanctuary Councillor Frank Lukay wondered whether the wild life habitat could possibly remain intact if the area was going to be

used for recreation.

Commenting on the ERPC's policy statement on discouraging improper uses for river valleys unless this was absolutely essential, Councillor Barry Breadner said that he could agree with this. He was also in agreement with the ERPC policy against chopping up river valleys with transportation routes "to ensure that a minimal amount of land is removed from potential re-

creation use."

Also while perusing the document council were careful in making sure that if there were to be regional recreation uses in the St. Albert and Sturgeon area, these would have to be on additional lands acquired by the province.

St. Albert still has a few weeks before meeting with the ERPC to give that body its views on the planning document.

and as long as this was distributed.

Councillor Myrna Fyfe assumed that the Directory was distributed and that a map of St. Albert was included.

Councillor Margaret Smith had some reservations on taking the St. Albert directory and said, "the directory is not available at the right time as (new) residents come in the summer and not in the early spring."

ST. ALBERT'S HISTORY TO BE REMEMBERED?

As council remembered that January 14, 1861 was the day Father Albert Lacombe cleared the site for St. Albert settlement it decided to do some research into what might be the best day to commemorate the event.

Reference might be made to James MacGregor's book on Father Lacombe, just

recently published, so that an accurate date might be chosen.

Council might declare a day in the year as Founder's

Day and it could be placed near Winter Carnival time or Rodeo time in June to coincide with these periods of festivity.

Parents begin study - children the challenge

The "Children The Challenge" child guidance series presented under the direction of Mr. D. Thomas and sponsored by the Parent Programs Committee of the St. Albert Protestant Separate School District #6 kindergarten had their first of six meetings on Monday, January 12 in the assembly area of Sir George Simpson School. The group of interested parents enjoyed a brief introduction to the Adlerian principles of child raising before breaking into small groups for the purpose of interaction.

The highlights of the evening included the idea that giving a child the opportunity to succeed provides the necessary encouragement for self-development. Genuine verbal expression was emphasized. Praising the person can be discouraging; praising the specific act is encouraging, e.g. "You are a good boy" versus "you must feel good

about doing such a super job of making your bed." This gives the child a good feeling about a good act.

Another area of emphasis focused on parents providing alternatives for behaviour from which he is held responsible. Many of the common behavioral problems which occur daily can be handled effectively in this fashion.

Importance was placed on allowing even the small child to develop independence. Many parents forget to let the child know that it is acceptable and realistic to expect that they will sometimes meet with failure in the pursuit of this independence.

The next session will be on Monday, January 19, and further registration will take place at 8 p.m. Topics to be covered include the child's place in the family, the principle of encouragement, and a look at natural and logical consequences of behaviour.

never support a motion opposed to building the lodge. He felt that the lodge was not against the open space policy for the river. He did not want to see the seniors "bereft of access to the parkland and have it left in limbo for another year." Town administrator Bob Byron voiced his agreement and said that parkland should not be sterilized;

"that the intent was public access to the parkland."

In any event at a meeting with the seniors management group last week the town committed itself firmly to the river valley lodge site.

Coun. Breadner pointed out to Mr. Wood that he had just been given a rehash of what went on at the last regular meeting of council, January 5th.

Wakefield, cousin of the

bride, wore a floral gown with matching jacket that tied just above the waist as did bridesmaids Annette Durand, and Kathy Deguire, in identical gowns to that of the maid of honour. All three wore sprigs of blue carnations in their hair and carried nosegay bouquets matching that of the bride.

The groom wore a tuxedo of light beige trimmed with brown velvet, a brown velvet bowtie and vest with a white ruffled shirt.

Attendants for the groom, Rod York, Eugene Genereux, and Rick Creighton all friends of the groom wore identical tuxedos to that of the groom.

Ushers were Lawrence Frank, brother of the bride and Steve Porter, friend of the bride and groom.

For her grand-daughter's wedding Mrs. Wakefield chose a floor length two piece ensemble of turquoise blue bridal satin, the gown featuring a stand-up collar studded with beads, long sleeves with bead studded cuffs. The floorlength sleeveless coat was trimmed with braid at the waistline, white accessories and her corsage was of pink sweetheart roses and white carnations.

Mrs. Hill chose a floor length gown of sapphire blue, featuring a cowl neckline, silver accessories and a

corsage of pink sweetheart

roses. The reception for 100 guests was held at the Club Mocombo. Bev Townend, friend of the bride and groom presided over the guest book.

The bride and groom's table was centered with a beautiful two tiered double wedding cake connected with an archway.

Lawrence Wakefield, uncle of the bride was a very capable master of ceremonies. Grace was by Lawrence Wakefield, Jim Gregorich of Drayton Valley, uncle of the bride proposed the toast to the bride and groom, Rick Creighton proposed the toast to the bridesmaids.

Mr. Hill, father of the groom welcomed Debbie into the Hill family and Mel Wakefield, uncle and Godfather of the bride welcomed Guy into the Wakefield family, to which Guy responded.

Out of town guests were from Grande Prairie, Wainwright, Edson, Calgary, Drayton Valley, Ontario, Ft. Saskatchewan and British Columbia.

A social evening and dance followed for 200 guests with music supplied by "The Uniques" orchestra of St. Albert.

The happy young couple reside in St. Albert.

CARD OF THANKS

The Kinette Club of St. Albert would like to thank all those who contributed so generously to the Christmas Hamper Bureau. Thanks to the business people, the churches, the schools, the many clubs and organizations as well as private citizens who donated both money and goods. This was truly a community effort and therefore a tremendous success.

No press and public at school board salary talks

While Westlock School Division recently passed a motion that salary negotiations should be open to the public and the press, it looks as though the public will have a long wait before the

same thing happens in St. Albert. The two board chairmen of St. Albert District #6 Bill Webber and Steve Sieben, of St. Albert Public Catholic District #3 pointed out that

salary negotiations will continue to be in camera and any information to be given to the public will be done so on a press release basis. The Westlock School Division has contended that since the spending of public money was involved in salary negotiations, the press and the public should be in on the action.

Mr. Sieben said Tuesday that his board, after a meeting last Monday night, had decided to keep the salary meetings in camera; the public and the press would not be invited. He said that negotiations would continue on the same basis as in the past. He felt that if the press and the public came into

salary negotiation meetings, "it changes the posture of both sides and if we provide information after the meetings to the press it'll serve the purpose at the present time." Mr. Webber said that his board would not really discuss the possibility of having both the press and public at salary negotiations.

His objections were that if either of the bargaining parties used the press, negotiations would be jeopardized. Having the public or press present "tends to harden positions," Mr. Webber continued, "and makes it difficult for each side to compromise its original position."

Chamber plans gala evening

Dr. Wm. Cuts, Lorraine Moore, Marcel de Champlain, Father Ubaldo Duchesneau, Ed Savoie, Louise Rasmussen, Henry Terrault - by now all recent newcomers will recognize what all these residents have in common. They are the individuals St. Albert has honoured as Citizen of the Year.

The burning question as the date January 31st approaches is who will be cited that evening at the Chamber of Commerce dinner dance as the 1976 Citizen of the Year? But don't ask the man in charge Dr. Cuts, because he won't drop the slightest hint before the time comes on the program to fill that vacant place held at the head table. Dr. Cuts has turned over this year's nominations to a panel of independent judges to make the selection.

Bob Arnold of CJCA will be the master of ceremonies for the Chamber this year - a local resident whose talents in this area are well known.

Ceremonies will also include the swearing in of the new President of the Chamber, Mr. Peter Zuidema.

The celebration gets underway at 6:30 with banquet

at 7:15 and dancing from 9 - 1. Tickets at \$7.50 per person are available from The Royal Bank and Sturgeon Electric on Perron Street, the T.D. Bank, Grandin Bakery and

Hutchings's Shoes on Grandin Mall or from Chamber members. President Zuidema adds that there will be corages for the ladies at the Club Mocombo that evening.

Four year old clinics

Four Year Old Clinics have been held at Sturgeon Health Unit since 1969. The clinics were established to screen four year olds since it was recognized that some children were entering school with problems, for example, loss of hearing, poor vision or emotional difficulties, which could have been identified earlier. By providing a program where these problems could be picked up before school entry, the Four Year Old Clinics have successfully bridged the gap between services provided by the Health Unit for children under three years of age and the school health services.

However, the Early Childhood Services now provide a setting in which screening tests on four year olds can be carried out by the public health nurses. There is no need therefore to continue Four Year Old Clinics on a routine basis. Instead, a modification of that program is being developed, and in future, the four year old

children who will be offered an appointment at the Health Unit will be those children who are causing concern or

who are found in the Early Childhood Services Screening Program to require further testing.

Carnival Queen contest

The St. Albert Lions Breakfast Club will again be holding a Carnival Queen Contest sponsored by the Community Gazette. The contest is held in conjunction with the St. Albert Winter Carnival, February 19 to 16th inclusive. Contestants will be from the junior and senior high schools in St. Albert. Judges

will select a winner on the basis of personality, poise, communication skills, and knowledge of community affairs. The carnival queen reigns over winter carnival festivities such as the torchlight parade and activities in the Arena and Community Hall. Entry forms will be available at each school.

District 6 postpones meeting

The District #6 Education meeting scheduled for Wednesday, January 7th was postponed for two weeks due to inclement weather. It will now be held on Wednesday, January 21st.

The meeting is intended to

be a dialogue between the board members and junior high school students. The students will be responsible for making a presentation on activities carried out in the school. Open discussion will follow the presentation.

OTTAWA and Small Business

Spending spree

By KENNETH McDONALD

Ottawa's spending cuts were a step in the right direction. But Ottawa is the prisoner of its folly. The inflationary effect of deficit spending on open-ended giveaway programs is built in so deeply that to make drastic cuts too soon would be disastrous.

The Canadian free lunch counter, which took 12 years to erect, has to be dismantled gradually. But Canadians must keep up the pressure to see that it is done.

Cancelling Opportunities for Youth. Local Initiatives Programs and the Company of Young Canadians was symbolic. Make-work programs have no place in a market economy struggling to regain its natural vitality. The issue is bound up with minimum wages. The highest unemployment among teenagers is in the provinces - B.C. and Quebec - which have the highest minimum wage rates. In Britain, where there is no minimum wage law, unemployment among people between 16 and 24 is 2.1 per cent. In Canada it is 12.9 per cent.

A possible solution is to reduce unemployment insurance benefits and minimum wage rates for teenagers as an incentive both to them and to potential employers.

Ottawa's spendthrift policies have been criticized by provinces and municipalities.

palities. Despite the cuts, Ottawa's spending will rise 15 per cent in 1976. Only one province - Nova Scotia with 10 per cent - forecasts less than that. The average spending increase for the other nine is 21.5 per cent, against an average revenue increase of 17 per cent. More deficits!

Now the provinces are trying to shift taxes to municipalities, where they fall on the shoulders of property owners, many of whom are among the hardest hit by inflation.

Spending will not be controlled without first freezing, then reducing the civil service. Their salaries, pensions and palatial offices are only part of the cost. The real cost is in their power to waste public funds within the authority of outdated spending programs and to dream up new ones.

In an interview on national television Prime Minister Trudeau, explaining his anti-inflation program, warned Canadians about the need to change their values, habits and institutions. Agreed!

What needs to be challenged, however, is the PM's inference that our economic difficulties are caused by the failure of the free market system. It is the position of the Canadian Federation of Independent Business that our economic problems have been created by the massive intervention of the state in the workings of the free market.

Meeting called on area needs

Objects to anonymity

We would like all concerned citizens to think about the following questions.

Is there a creative playground close to you? Would you like to get to know your neighbours? Do your teens have a place they can meet which has a healthy environment? Would you like to participate as a family unit in some special activities such as: wiener roasts, pot luck suppers or a family games night?

If you are concerned about one or more of these problems please read on.

A Steering Committee composed of concerned citizens has been formed to try and determine a means to deal with these and other needs in individual areas of St. Albert. We are planning a general meeting which you are cordially invited to attend and voice your opinion. The meeting will be held in the Assembly Room of the Sir George Simpson School on Wednesday, January 21, 1976 at 8 p.m.

We will be discussing the ideas of

- dividing St. Albert into three areas or communities using the natural boundaries of the river and the highway
- Lacombe Park and Mission
- Grandin and Downtown
- Braeside, Forest Lawn and Sturgeon
- community leagues
- using a school in each area as a centralized meeting place and organizing activities from there.
- having a facilitator in each area who will be appointed and paid by the Parks and Recreation Department to help organize an area committee and activities.

vities.

Arlene Meldrum, president of the Edmonton Federation of Community Leagues, will be on hand to discuss "What a Community League can do for you." Mrs. Meldrum will be bringing with her some excellent resource people and 15 years of her own experience with community leagues. Rene Selles from the St. Albert Parks and Recreation Department will also be present to answer any questions on present facilities available and on any further plans of the department.

We of the Steering Committee all feel that St. Albert has grown too large in numbers and size to be run as a single unit. Therefore, we are all in favour of dividing the town into the above mentioned three areas. Also we feel that a registered society such as a community league or one of the other mentioned alternatives must be established in each area to deal with that area's specific needs.

An important factor to remember is that an organized society with the power of the people behind it has more voice than just a handful of concerned citizens, especially at Town Hall.

Please plan to attend and let us know what type of organized society would best meet your needs. If you have any further questions please call me at 458-0672 or Doreen Rowe at 459-6165.

Disagrees re cultural needs

On January 14, 1861, Reverend Albert Lacombe, O.M.I., decided to found a mission "on the Hill" in St. Albert. He did not know the meaning of fear nor did he procrastinate.

That action in the dead of winter, one hundred and fifteen years ago, was an act of faith and total dedication to the formation of a good, flourishing community.

He dared to fell trees, clear land, build primitive shelters, chapels and bridges which he began in April, as soon as the largest amount of frost had begun to disappear. Through all this, a few stalwart pioneers did their just part. They worked, they prayed, and they found time to laugh, to sing and to dance. They left us a legacy of their culture, our French and Indian culture.

Perhaps the quotation from Danton, "Il nous faut de l'audace, et encore de l'audace et toujours de

l'audace - (We must dare, we must dare again, and always dare), is applicable in the present dilemma over the proposed recreational/cultural facility. A proponent of alternate facilities has recently stated that cultural facilities are not required here since we are so close to Edmonton. Nothing could be further from the truth. Perhaps, within this complex there is not enough scope for cultural events, but at least it is a beginning.

I remember gathering names for our Hospital and are we not pleased that we have it?

Congratulations to the Chamber of Commerce for planning a Talent Show for next Friday. We could follow it up with a yearly Festival. Hopefully Saint Albert has come of age.

Getting kids on their own two feet

Getting kids on their own two feet at a very early age. That's the business St. Albert resident Esther Matthews finds in.

Looking around the classroom in the basement of the modernistic Kinsmen Clubhouse where you can see pre-school youngsters busy themselves with what seem like games, an interesting process is being carried out.

It's only been going for just over a week, but already the kids seem to know what they're looking for.

You see them putting knobbed cylinders into wooden blocks at first; and you say to yourself, so what until the kids' teacher tells you the significance of what the youngsters are doing.

"The children are working on knobbed cylinders to learn shape and dimension - each (cylinder) is half a centimeter smaller than another - and the knobs prepared fingers for holding a pencil."

The youngsters also learn delicacy and discipline in touch, adds Esther.

They all seem quite happy, the youngsters, at the tender age of three to five as they

listen to the words of advice from Esther and also their assistant teacher Francine Duhaime of St. Albert.

Esther explains other equipment at the school which is very hard to come by in Canada, most of it having to be imported from Holland and Europe.

She picks up and demonstrates the use of a buttoning frame which is termed as a practical life lesson in the Montessori school philosophy at the Centre.

Then she shows you some beautifully crafted beechwood boards on which are pasted sandpaper strips. These sandpaper strips vary in texture and give the child discipline in touch and pressure.

Some of the exercises the youngsters do would be quite demanding even for an adult. They can be asked to match flags to a particular country, or work through a series of slim beechwood squares till they can match the weight of one board with another.

A similar exercise in perception is engaged when the children pore over brightly coloured animal and flower cards trying to match each card with another. If you look

closely at the flowers, animals or birds shown on the cards, you can see that minor differences in colour and shape could catch out the unwary youngster whose attention span was short or limited.

Sometimes the exercises are so demanding on the intellect of the young pre-school child that the curriculum has to be switched every 15 minutes so that interest does not wane.

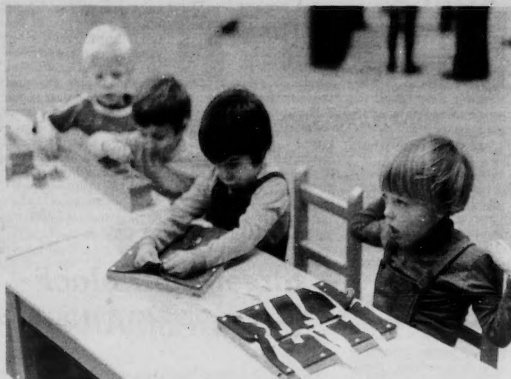

But at this school each child gets individualised attention so there is precious little possibility of a mental breakdown at this stage.

And the kids seem relaxed.

The school in the Kinsmen Clubhouse is the first of its kind in St. Albert and there are only three others like it in Edmonton.

Esther says that the schools are really well established in Europe and America but have yet to really catch on in Canada.

The present course at the Clubhouse will continue until June, and February 1st an afternoon program will begin. If you would like more details on this, phone Esther Matthews at 459-7655.

LEARNING TO STAND on their own two feet at a special school for three to five year olds in St. Albert are from left, Chris Cena, 3½, Paul Narang, 3, Marc Noel, 4, and Danny Hay, 3. The school sessions are held in the Kinsmen Clubhouse weekday mornings from 9:30 till 12 a.m.

THEATRE

The Glass Menagerie by Tennessee Williams is in rehearsal at Theatre 3, to open January 27 in the Centennial Library Theatre and run through to February 7. Linda Rabinovitch, C. Holte Davidson, Susan Andre and Toronto actor Craig Gardner will be directed by Mark Schoenberg in the production, which has Pat Flood as designer.

The Broken Globe will be premiered February 24 and Director Randy Maertz is auditioning for two males, a boy between 13 and 15 and a man between the ages of 60 and 70. 426-6870. Meanwhile the Theatre's Dinner-Theatre Affair has enjoyed popularity and should be attractive as cold weather sets in, with heated parking and underground access to the Centennial Library Theatre.

Paul Klugman director-actor and author returns to the Citadel Theatre to direct Neil Simon's The Sunshine Boys to run from January 17 to

February 21. Mr. Klugman considers this to be Simon's best play. It will feature Mickey Costello, who will be remembered for his performance last season in Anything Goes, and Guy Sanvido as the sunshine boys, two vaudeville comedians reunited for a special CBS television tribute to vaudeville.

OPERA

The exciting young artist Carol Wilcox will portray Despina in Mozart's "Cosi Fan Tutte" for the Edmonton Opera Association on Feb-

ruary 5-7-9. During the 1971-72 season at the Met in New York, the indisposition of a more famous colleague thrust this young beautiful soprano into the limelight. The opera was Cosi Fan Tutte and Miss Wilcox with less than 24 hours advance notice went on in the demanding role and won wide critical acclaim. Stefan Minde will conduct the Edmonton Symphony Orchestra. Tickets are on sale at the Opera Office at #503, 10102 - 101 Street until January 7 and after that only at Woodward's and Edmonton Centre on January 19.

NOTICE

1976 DIRECTORY NEARLY READY

The 1976 St. Albert Directory will be going to print this week and ready for free delivery to every household over two to three weeks.

Starting in February the Welcome Wagon will pick up Directories each month, sufficient to cover all their calls to newcomers coming into the town. In addition copies are provided year around at the Gazette office and made available to people such as delivery drivers, as well as nearby rural area people, at no charge.

Youngsters and the young at heart take to the Sturgeon River for an afternoon skate. The modern facilities of today can never compare with the joy of skating the old fashioned way. Thanks are forthcoming to the Town of St. Albert for the installation of lights along the riverbank making evening outings possible. Music would complete the picture.

Seniors presented with pool table

On Tuesday afternoon the Seniors received a pool table for their Recreation Centre through the generosity of Mr. Kryger of Grandin Mall.

The schedule of activities at the Senior Citizens Recreation Centre (north of the curling rink and the Legion) has been re-arranged slightly because of additions to the program.

From Monday, January 19, the evenings for dropping in at the Centre from 7 - 9 p.m. will be Mondays and Wednesdays, and not Tuesdays and Fridays. This change is necessary because of the bingos which are being run by the Kinsmen every other Tuesday evening.

The next bingo will be held on Tuesday, January 20 at 7 p.m. There are no bingos being held any afternoon.

Whilst continues to be played every other Tuesday afternoon at 1:30 p.m. At the

card party held on Tuesday, January 13 the winners were Mrs. Adeline Fowler and Mr. Mac Morrison while consolation prizes went to Mrs. Dorothy Newman and Mr. John Valmer. The next party will be on Tuesday, January 27.

Bowling continues to be a popular activity on Thursday

mornings from 9:30 - 11:30 a.m. If interested, phone Mr. Borle at 459-6215 or Mr. Liptak at 459-6568 for information.

Plans are in progress for social evenings which will probably be held on Fridays but there will be a further announcement when plans are finalized.

Sweetheart ball has new format

Plans are again underway for the Lady Lions annual Sweetheart Ball. This year's Ball will be held Saturday, February 14, 1976 at the Club Mocombo. The Ball will take on a new format this year with dinner being served at 7:30 rather than a midnight Smorgasbord with dancing immediately following.

So take your "Sweetheart" out for a gala evening of dining and dancing. The highlight of the evening will be the crowning of the "Queen of the Ball."

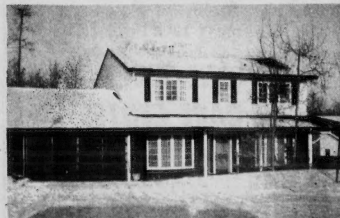

Tickets are now available at \$16.00 per couple from any Lady Lion member or by phoning 459-5335. Proceeds realized are donated to charitable organizations.

Services held for Michael Samwald

Mass of Resurrection for Michael Samwald was conducted by Father Jacques Joly at St. Albert Roman Catholic Church on Saturday, January 3, 1976 at 12 noon.

Father Joly gave the thoughtful and warm eulogy and readings from the scriptures were by Ed McLaughlin.

Palbearers were Ed McLaughlin, Dave Edwards, Mike Kelly and three of Mr. Samwald's grandsons, Jim Samwald, Jay Samwald and Michael McIntyre. Interment was in the church cemetery and following the services luncheon was served at the home of Mr. and Mrs. John Samwald in St. Albert.

Mr. Samwald, who was 91 years, 6 months at the time of his death had been hospitalized December 26th and was a resident of Youville Home for the previous three years. Prior to that he had made his home at 3 Mill Drive. He was predeceased by his wife in 1944.

Mr. Samwald was born in Breitenau, Austria, son of Michael and Elizabeth (Reis) Samwald. Always of an adventurous and independent nature, he left home at the age of 13 to go to Italy, the first of many journeys which would take him to Rumania, Germany, England, the United States and Canada. Often he made his living as a waiter and while in Rumania he served in the Royal household of King Edward the 7th, receiving a momentum of appreciation from the King when he left.

In Canada he came first to Halifax and later spent some years in Ottawa, Caruthers, Saskatchewan and then to Winnipeg where he was with

the Manitoba Hydro Company, formerly Winnipeg Electric for many years.

He married Lavinia Dionne in Ottawa in 1910 and the couple raised three children, Leo, who predeceased him, John of St. Albert and Jeanette, Mrs. R. C. McIntyre of Edmonton. Mr. Samwald is also survived by five grandchildren, six great grandchildren and a number of nephews and nieces.

While in Ottawa he worked at the Chateau Laurier and

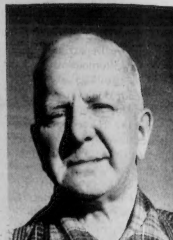

had a speaking acquaintance with Sir Wilfred Laurier. The two sometimes rode on the same street car, and when Mr. Samwald completed an aeroplane he built, the Prime Minister used his car to pull the plane into position for its trial flight. Building aircraft was one of a number of hobbies which absorbed his interest over the years. He retired 30 years before his death, but was never at a loss for things to do and people to talk with.

Mr. Samwald came first to St. Albert in 1959, a year after his son John and family settled here. His small home on Mill Drive was filled with lovely pieces of glassware, as glass cutting was another favourite hobby. He also took pleasure in making ski-bobs - putting skis on bicycles - which provided lots of downhill fun for his grandchildren and their friends.

On the occasion of his 90th birthday an Open House was

held at his son's home here, when a large crowd of friends and family members gathered to wish him well. It was a party he thoroughly enjoyed, being in good health and delighted at the opportunity to visit with so many.

Michael Samwald will be remembered by all who knew him, and visitors at Mill Drive included many young students, as an interesting, charming gentleman who loved life and people.

Street light black outs in St. Albert

Mechanical trouble at three power station generating units last Wednesday night blacked out street lights in St. Albert.

Residents were asked by Calgary and Alberta Power to take it easy on power consumption while the three generating units were repaired.

Town lights were shut off by Calgary Power to help ease the situation at Wabamun Lake where Calgary Power had trouble with two generating units. Alberta Power was also having mechanical trouble with its #3 Battle River unit.

A public relations spokesman for Calgary Power, Matt Hawkins said that the problem would be rectified, but Thursday there was still some doubt as to whether unit #4 at Wabamun would be back in operation by that afternoon.

Mr. Hawkins said that

engineers had gone into the generating unit to repair a leak but had found further mechanical trouble.

Last Wednesday night the public were asked to cut back on the use of domestic appliances like car plug ins and heaters, dishwashers and electric cookers.

Industry was also asked to cut back on power consumption. Mr. Hawkins said that Calgary Power had been very pleased with the response of the public, particularly since there were very low temperatures at the time.

While few, if any, municipalities clear driveway entrances after a major snowstorm, St. Albert recently asked its director of engineering and public works to prepare a study on the costs if that kind of snowclearing service could be provided.

In the town's monthly report, St. Albert shows its awareness that snow plow operators might lift their plow blades at each driveway, but points out that such delays would hold up the overall snow clearance operation.

"A lump of packed snow would be left at each driveway. The operator ... would have to slow down and operate his blade plow at each driveway which would mean a considerable delay in snow clearing."

If St. Albert did decide to

MISSING ST. ALBERT BOY TURNS UP

Eleven year old Steven Tower of 57 Ridgewood Terrace caused quite a stir when he didn't return home for 17 hours after going out to play 7 p.m., January 10th.

He got back home 12:30 p.m. on the Sunday after spending the night with a new friend.

But for the boy's mother Fay it was an anxious time. When he didn't get home, the RCMP were alerted, door to door checks were carried out and town ravines were searched on foot and by snowmobile.

RCMP were also helped by citizen bands and everyone was alerted when emergency messages were carried over local radio stations on the "lost" boy.

A new \$200,000 band owned and operated grocery and general purpose store has taken over the Hudson's Bay Company's traditional role in the northwestern Alberta community of Assumption. The modern 6,000 square foot concrete block building is a project of Assumption Enterprises, a branch of Amber River Developments Ltd., a band owned company established to build up the economic base of the reserve.

Extra costs if snow to be cleared from driveways

run a complete snow clearing service including the clearing of driveways, it would bring the total snow clearing budget to \$75,000. (Given there were three snow clear-

ances per month during the severe weather).

This new figure assumes that 5,000 residential units in St. Albert pay an additional \$15 just to clear driveway

entrances.

The engineering department has stated that it would be willing to give demonstrations to council of driveway clearance methods.

Quick response snuffs out fire

Quick action by the St. Albert Fire Department last Saturday afternoon nipped a fire in the bud at 100A Grosvenor Boulevard.

The fire was allegedly caused by children playing with candles in the basement of the one half duplex home.

About \$200 worth of damage was caused by the fire and no one was hurt. A spokesman for the St. Albert Fire Department commended the occupier of the house Dan Schindler for closing doors at the bottom of the stairs which kept the fire in check.

It was likely the fast response of the St. Albert Fire Department which prevented the blaze from taking a firm hold as well as the preventive action taken by

Mr. Schindler.

The Department received a call from Mrs. Schindler at 12 noon and two trucks responded to the call. They left the fire hall at 12:01 p.m.

and the fire was out by 12:15 p.m., after the trucks reached the fire three minutes after the call.

The Fire Department spokesman said that paint

cleaning material had been set on fire in the basement and the flames were confined to a workbench.

The St. Albert Fire Department were also called out

on a false alarm 4:50 p.m., January 12 to the Ronald Harvey School.

There was a report of a fire and the caller hung up

according to a spokesman from the Fire Department.

The Fire Department responded to the call nevertheless, "to avoid any panic."

Old telephone operator turns up

She was chief telephone operator in Tofield in 1924.

"But I'm not telling you my age - the people can figure that out for themselves," said retired operator Alice Ross, of 314 St. Albert Road last week as she dropped off at St. Albert's new phone Centre to try out the new equipment.

She "made a call" on an antique phone specially supplied for the occasion giving compliments to the young staff at the phone Centre.

"I think they're wonderful and efficient, but then young people today are very clever, smart and outgoing," she smiled.

Alice is well known to residents of the St. Albert district but to the people in Tofield she was always known as "Lorette," because they found it more convenient to call her by the last name of the previous

operator.

Alice was in charge of the phones at Tofield for 22 years and reckons she and the other operators were pretty hot stuff. For in the 22 years that she was in Tofield, the town burnt down three

times!

But Alice eventually left Tofield, not for being hot stuff. She was called back to the St. Albert area to look after her Mom and Dad who had taken sick.

She was away on a three

month leave of absence for compassionate reasons which extended into seven years. By 1953 Alice was back working as a PBX operator at the Allin Clinic in Edmonton where she worked

for 12 years.

Now she's retired and seems to be enjoying her freedom.

Originally Alice came from Nova Scotia and was born in Halifax.

Hard to get accommodation in St. Albert

The overall vacancy rate for accommodation is almost negligible in St. Albert. A report from the town office indicates this week.

The report forms part of the town's monthly report, statistics coming from the town planner.

The report also points out that the most modest rental increases come in the walk-up and four plex type units

while rental rates for townhouses have shown the greatest increase.

On the vacancy rate, the report states: "The overall vacancy rate is negligible, indicating rather favourable market conditions for additional rental construction."

Out of a total of 228 units in all categories the vacancy rate is zero with a 0.6 per cent rate for 80 three bedroom townhouses.

The rent for two, three and four bedroom townhouses has increased up to 65 per cent in the first category, 56

per cent in the second and 52 per cent in the last. This is over the period September '74 to the end of last year.

Single family dwellings for rent in St. Albert range from \$350 to \$400 a month in the three to four bedroom categories.

Regional TM governor returns from Europe

Greg Johnsen, local teacher of the Transcendental Meditation technique has just returned from Switzerland to serve as regional governor for Edmonton.

Mr. Johnsen has been appointed Edmonton's first governor of the Age of Enlightenment by Maharishi Mahesh Yogi, founder of the Age of Enlightenment and the Transcendental Meditation program. He qualified for position of governor on graduation from the first six month Age of Enlightenment course held at Maharishi European Research University (MERU) on the shores of

Lake Lucerne, Switzerland.

The new Age of Enlightenment courses in the Science of Creative Intelligence have been designed by Maharishi Mahesh Yogi to develop the individuals ability to act in accordance with all the laws of nature, so that life is free from weakness and problems and all activity leads to fulfillment.

Maharishi explains that the regular practice of the Transcendental Meditation technique stabilizes the home of all the laws of nature in the individual's awareness. Scientific research on the

T.M. program has now established parallels between the state of least excitation in quantum physics which is the source of all the laws of nature and state of least excitation of consciousness experienced during the practice of the T.M. technique.

Maharishi states: "When the home of all the laws of nature is established in the awareness, activity is spontaneously in accordance with all the laws of nature, and life is free from problems and suffering. On this basis, we have inaugurated the dawn of the Age of Enlightenment."

"In the Age of Enlightenment, people will be acting in accordance with all the laws of nature, and therefore they will make no mistakes and will not create the ground for suffering. Thinking and behaviour will be positive and

evolutionary."

Maharishi has appointed Mr. Johnsen to usher in and perpetuate the Age of Enlightenment in Edmonton by insuring that there are at least one percent of the local population practising the T.M. technique.

Mr. Johnsen explained that according to statistics, the four hundred and forty cities in the world which have one percent of the population practising the T.M. technique show a decrease in crime, sickness, drug abuse and accidents.

"Just one percent spending 20 minutes morning and evening practising the T.M. technique is enough to improve the quality of life," said Mr. Johnsen. Maharishi projects that five percent will create an ideal society free from problems

and suffering and full of harmony, peace and fulfilling progress. Edmonton can lead the world by creating the first ideal society."

Mr. Johnsen said he has now experienced for himself the effectiveness of the Age of Enlightenment courses. "The knowledge and experience of pure consciousness gained during the courses refines our thinking which Maharishi calls thinking in accordance with all the laws

of nature. This renders all activity spontaneously more orderly and evolutionary by capturing the quiet state of consciousness, the home of the laws of nature."

"This is the value of the Age of Enlightenment courses in the Science of Creative Intelligence for the whole of society," he said.

Chamber and Schools to get involved in business

A program whereby the business community of Alberta can increase its involvement in the education industry has been developed by the Alberta Chamber of Commerce.

The St. Albert and District Chamber of Commerce and local schools can also look forward to active participation in the program starting next month with province-wide implementation by September.

Other local Chamber of Commerce, specifically in Camrose and Grande Prairie will be provided with resources and materials to promote economic education and liaison with local education institutions.

High school students in designated centers will be offered business information sessions under the new program.

In announcing its involvement in the program, the Alberta Chamber of Commerce credited officers of the Regional Services Branch of Business Development and Tourism with having crystallised the need for such a program and also pointed out the spirit of co-operation with which the suggestion was greeted by educational authorities.

A business and education conference is being co-ordinated where leaders of business and the educational field will meet as well as a representative from society in general to discuss areas of mutual concern which may include control of education, basic skills, apprenticeship and career counselling, to name a few. The conference is scheduled to be held May 13, 14 and 15 this year at Jasper Park Lodge.

St. Albert couple married here

MR. AND MRS. RENE VALLEE

A mild Saturday in December was the perfect setting for a wedding. On December 13, 1975, the St. Albert Parish Church was the place chosen for the wedding uniting Eileen Jacynth Gordon and Rene Uldric Joseph Vallee in marriage. The double ring ceremony was performed by Father Joly.

Eileen is the only daughter of Mr. and Mrs. W. Gordon of St. Albert. Rene, is the second son of Mr. and Mrs. M. Vallee of St. Albert.

During the ceremony, organist Mrs. Kennedy played the wedding music, soloed by the bridal couple. Soloist Mr. M. Venneste sang several songs.

The bride was given in marriage by her father. Eileen wore a beautiful full length gown, made by her mother, consisting of a white cotton-satin with lace trim. Her veil was fingertip length trimmed with daisies. She carried a lovely bouquet of pink sweetheart roses.

Attending the bride were Dixie Reeve, a close friend of the bride, and Colette Meunier. Both wore lovely light blue gowns and carried a bouquet of daisies enclosing pink carnations. Flower-girls were Paulette and Pauline Vallee, twin sisters of the groom. They too wore blue gowns, and carried a basket with daisies and pink carnations.

The groom, looking very charming and distinguished wore a light blue tuxedo with matching pants and vest and a complimenting white ruffled shirt with blue bow tie. His boutonniere being a white carnation.

Best man, Richard Vallee, brother of the groom wore a

matching jacket to that of the groom, navy blue pants and bow tie, and a white and blue ruffled shirt. Standing with the first best man was Eric Gordon, brother of the bride whose suit matched that of first best man.

Ringbearer, Wesley Franche, a six year old, first cousin of the groom, carried a white satin pillow with lovely lace trim. Ushers were Wayne Gordon, brother of the bride and Maurice Vallee, brother of the groom.

For her daughter's wedding, the bride's mother wore a beautiful multi-coloured full length gown, accented with a corsage made from white carnations and pink sweetheart roses.

The groom's mother wore a lovely long pink gown with a corsage made from white carnations and pink sweetheart roses.

Following the wedding service, the reception was held at the St. Albert Community Hall. A friend of the bride's family, Gordon Watson, toasted the bride. Master of ceremonies, a cousin of the groom, Mr. R. Houle made introductions and got the wedding off to a wonderful start.

Out of town guests from the bride's family was Mrs. Catherine McKerchar from Perth, Scotland.

From the groom's family were relatives from Hinton, Legal and Westlock.

SUPPORTING WORLD MISSIONS THROUGH THE
SOUTHERN BAPTIST CONVENTION

By Rev. B. L. Heath
First Baptist Church
God has a plan for every life. In this plan is the hope of redemption or deliverance of every soul to be eternally with God. John 6:40 says, "And this is the will of him that sent me, that everyone which seeth the son, and

believe on him, may have everlasting life: and I will raise him up at the last day." Isaiah tells us "I girded thee, though thou hast not known me," Joseph in Egypt distinguishes the girding of God's hand when he comforts his guilty brothers in the assurance: "So, it was not

you that sent me hither, but God."

This complete and perfect plan cherished for us in the heart of God can be refused. As free willed beings we can transgress and disregard God and his will. As one refuses to follow God the beautiful unfolding of life he

planned for us becomes something lower and less worthy. The original and highest and best place becomes lost temporarily or forever according to our decision to follow Him or to remain rebellious transgressors.

As one dares to follow God: God will show us the steps He wants us to follow. The whole course of life is not outlined in advance to us. When Jesus called his first disciples the scriptures record it thus: "And Jesus walking by the sea of Galilee, saw two brethren, Simon called Peter, and Andrew his brother, casting a net into the sea: for they were fishers. And he said unto them, Follow me and I will make you fishers of men." Christ asked them to follow and that he would make them for the task. They responded. Will YOU?

Efforts to publish St. Albert history

Efforts are being made by the St. Albert Historical Society to publish a local history of the town based on tapes from second and third generation pioneers.

A local historical society bulletin - St. Albert Echoes - points out that St. Albert is unique in Alberta as being the province's oldest town, and as yet has no local history published or completed.

Steps are being taken to right the situation January 17 when a workshop is being set up on interviewing techniques for those interested in taping interviews with St.

Albert's pioneers.

Because no history of St. Albert has yet been published, the bulletin points out, much of the first hand information about St. Albert's past is already lost.

The workshop will be put on by the liaison department of the provincial museum.

Mrs. Jane McCracken, a new resident of St. Albert will spearhead the interviewing techniques workshop. She was formerly employed by the Manitoba Museum of Man and edited the CMA publication, "Oral

History: Basic Techniques."

Mrs. McCracken is now working with the City of Edmonton Archives.

In the weeks following the workshop, those who attended will be asked to spend time interviewing one or more people and taping their stories.

Eventually all the information will be used for a published local history of St. Albert.

If you are interested in this program and would like to assist, please phone Arlene Borgstede at 459-8601.

Drivers warned off Highway 28

Motorists were warned off an icy stretch of road (Highway 28) between Bon Accord and Gibbons last Sunday night as the road refroze after a sudden thaw. RCMP spokesmen for the St. Albert and Morinville detachments said that a number of cars were in the ditch owing to the icy conditions and they were advising the public not to use the road.

The call not to use the road went out about 6:30 p.m. last Sunday night.

Pair of wins moves Comets to 4th place

St. Albert Comets senior hockey club moved into sole possession of fourth place in the 8-team Edmonton Comets Hockey League with pair of big victories last week.

Thursday they knocked out second place Stony Plain Eagles 8-5 in Stony and the Comets scored a 6-4 win over Westlock Eagles Sunday night in St. Albert.

The most recent league standings show Comets on six points behind first place Fort Saskatchewan and two points ahead of sixth place Westlock. The league is extremely close and Comets must keep on winning to make the playoffs.

Terry Dube, Dave Vinge and Paul Fatijewski fired home a pair of goals each in the wins.

Jan. 22 - St. A. at Ponoka 8:30 p.m.

Skate-A from the

Whereas the St. Albert Kinsmen Club has a tradition of making worthy public service contributions to the citizens of St. Albert; and whereas the annual Skate-A

Sunday evening in St. Albert saw the Comets outshoot Westlock 25-7 but came away empty handed after 20 minutes as the Eagles scored twice for a 2-0 first period lead. Eagle goalie Joel Adkins was outstanding and kept Westlock in the game as Comets controlled the period.

Perry Pearn, the club's leading scorer, finally slipped one by Adkins early in the second period to put Comets on the scoreboard.

While enjoying a mandarin advantage, Comet captain Richie Perrault blasted a slapshot from the point that Adkins didn't see to tie the game 2-2.

Terry Dube and Wally Monson scored before the midway mark of the period to give St. Albert a 4-2 lead.

Some of the Westlock players began to get a little frustrated and the game very nearly got out of hand in the last few minutes of the period.

Comets stopped skating early in the final period and some sloppy play in their end zone allowed Eagles to score goals at 5:35 and 9:50 to get back in the game.

With less than a minute to

play, Eagles coach Roger Laplante pulled his goalie for an extra attacker but it backfired with Brian Stevens skating the length of the rink to score into the open net and give Comets a 6-4 win.

St. Albert out-shot Westlock 46 to 29.

Comets appear to be hitting playoff form now and have nine former Leduc Oilers in their lineup. All are playing very well and with goaltending from Mike Stewart and Zane Jakubec, they will be hard to beat.

Comets next league game will be Sunday, January 17th

against the Edmonton Bruins in the Gibbons Arena. They won't be at home until the 20th when Sherwood Park Barons will be the opposition.

Comets have an excellent game program for sale at all home games with a lucky fan getting to play Score, courtesy of Abe's Auto Parts.

Satellite Paining recently donated \$100 to help support the Comets and president Claude Contant is looking for additional sponsors to help out the Club. Interested businessmen can call Claude at 439-8651.

Bruins get two big wins - team playing well

St. Albert Bruins junior hockey club is starting to put things together now and as a result came up with a pair of very important wins in their last two games in Capital Junior action.

Coach Ron Yanosik has got the team playing some excellent hockey. On Friday, Bruins beat Leduc Riggers 6-5 on Gordon Gerlach's third period goal, and on Saturday they upset league leading Fort Saskatchewan Traders 6-4 in the Fort.

The two wins moves St. Albert into sole possession of fourth place, two points ahead of Leduc and a game in hand. The top four clubs in the seven team league are eligible for the playoffs.

Bruins have a big weekend coming up with Fort Saskatchewan here Friday night and Enoch on Sunday night.

In the Leduc game Friday, Bruins fell behind 2-0 early in the period but fought back and scored three straight goals to take a 3-2 first period lead. Jim Worobec, Tim

O'Neill and Dennis Sanche were the Bruin marksmen.

Leduc tied the game midway through the second period but Bernie Bronson put St. Albert ahead a minute later. Riggers' then scored a pair of goals late in the period for a 5-4 lead. Dennis Sanche tied it up for the Bruins just before the period ended to set the stage for the final 20 minutes of play.

Gord Gerlach scored the only goal of the third period to give the Bruins a well deserved 6-5 win.

THE FORMIDABLE FORT

Saturday night the Bruins travelled to Fort Saskatchewan for the fourth meeting of the year between the two clubs. Fort won all previous games and up till then had lost only one game in league play.

Bruins Dennis Sanche, the club's leading pointgetter didn't waste any time as he scored with only 52 seconds

gone in the opening period. Gord Agar scored at 5:57 for the Fort to tie the game but before the period was over Bernie Bronson and Jim McComb scored for the Bruins for a 3-1 lead.

St. Albert allowed Phil Quinn to score for the Fort midway through the second to put the Traders to within one of tying it but a strong finish by the Bruins resulted in two more goals by Bronson and Tim O'Neill to put Bruins ahead 5-2 going into the final period of play.

Jerry Oakes put the Fort back in the game with a pair of unanswered goals to reduce the Bruins lead to 5-4 with 12 minutes of play remaining.

Veteran Jim McComb scored his second of the night with eight minutes of play left to give Bruins a two goal margin.

McComb played an outstanding game for the Bruins scoring twice and assisting on the other four for a six Please turn to p. 16.

Generals in tie for 6th place in C.A.J.H.L. Junior play

St. Albert Generals moved into a sixth place tie with Jasper Mountaineers Saturday in Central Alberta Junior Hockey League play with a come-from-behind 6-6 tie in Jasper.

Generals lost a 5-4 decision to Barrhead Elks Tuesday night in St. Albert. St. Albert has four games in hand over Jasper and are only a point behind fifth place Hinton who they play this Saturday in St. Albert.

Saturday night in Jasper saw the Generals fall behind 3-0 early in the first period as they just couldn't seem to get things going after the long bus ride.

The second period was mostly the Generals and they outscored the Mountaineers 3-2.

Albert on the scoreboard. A minute later Terry Kieser tipped in a Steve Foreman drive from the blue line to put Generals to within one goal of Jasper. At 14:48 defenceman Gil Bilodeau really put the wood to a drive from the blue line that Jasper goalie George Belsham had no chance on and Generals had the game deadlocked at three goals apiece.

Mountaineers came back late in the period to score their fourth goal and take a 4-3 lead going into the final 20 minutes of play.

Matt Lister was set up by linemates Scott Ballentine and Roger Meunier at 3:44 of the third and scored to give Generals a 4-4 tie.

Generals appeared to slacken off a little and it resulted in goals for Jasper at 10:20 and 14:42 for a 6-4 lead and what appeared to be a sure win with less than six minutes of play left.

assisted on the goal and it sent the two clubs into a 10 minute overtime period.

2-1 only to have St. Albert's Pat Frewer give the Generals a 3-1 lead shortly after. Elks then went on a scoring spree and scored four straight goals for a 5-3 lead. Generals' Matt Lister scored at 9:43 of the final period to put St. Albert within one but they couldn't beat Odenbach or the equalizer. Barrhead outshot Generals 1-30 and again both clubs split 12 minor penalties.

Generals next home game will be this Saturday night when Hinton Cardinals will face the opposition. A win for Generals would put them into fifth place, one point up on the Cardinals.

Sunday afternoon at 3 p.m., Generals will play host to the Vegreville Rangers who are only three points behind.

A pair of victories will go a long way towards securing a playoff spot.

Coach Ewen has now signed all 19 players and will this should ease the tension that some players had.

Latest league statistics show Generals captain Terry Kieser in a tie for sixth place in individual scoring with 35 points. Generals goalie Ralph Chambers is tied with Calvin Duplessis of Vermilion with the lowest goals against average at 3.0 each.

two minute minor at 14:40 of the period and left Bruins a man short for the remainder of the period. Bruins held the "Fort" and goalie Carey Winquist came up with some big saves to save the exciting 6-4 win.

Carey Winquist was outstanding, stopping 44 Trader shots.

Following the game Fort coach Gene Actymichuk showed poor sportsmanship when he failed to acknowledge Bruins coach Ron Yanosik's handshake.

He will get another chance this Friday, January 16th as the same two clubs will go at

it again in St. Albert with the host the Enoch Tomahawks game starting at 7:30 p.m. and not 2 p.m.

Sunday the Bruins will as the schedule shows.

Barons shut out Stettler as win streak continues

A five-goal first period outburst sparked St. Albert's Sport Shop Barons to a convincing 6-0 trouncing of Stettler Sunday, and left the Barons still undefeated at the half-way point of the North Central Midget Hockey League.

The Barons now meet Ft. Saskatchewan J & M midgets Saturday in the Fort at 8:30 p.m., and have an exhibition game scheduled for 10 a.m. Sunday at Calahoo against Edmonton

Butchers and Packers, currently in third place in Edmonton.

St. Albert opened quickly in Stettler, with rightwinger Don Wells taking a pass from Dave Fraser and picking the corner from close in at just 1:42 of the opening period.

Three minutes later Murray Riddell outfoight a Stettler defenceman behind the Stettler net and cut out in front, firing a rising shot that trickled into the net and giving St. Albert, playing shorthanded at the time, 2-0

lead.

Centre Ken Strand checked a Stettler defenceman at his own blueline midway through the period, and walked in on a partial breakaway, firing a backhand along the ice through the Stettler netminder's pads.

Dave Shipanoff made it 4-0 for St. Albert at 13:43 when he took a drop pass from Larry Sander just inside Stettler's blueline, deked a defender and left go a wrist shot from 20 feet out that beat the Stettler goaltender cleanly.

Exactly four minutes later Wells took a Ron Sander pass and picked up his second goal of the game from close in, and then with four minutes gone in the third period, a drive by Wells from the face off circle rebounded to Sander at the edge of the goal crease, and it was 6-0. Goaltenders Dennis Lafleur, who went the first 30 minutes, and Glen McRae, who finished the game, came up with a half dozen good saves to preserve St. Albert's third shutout in league play, as St. Albert outshot 40-35.

The win gave St. Albert three successive wins over Stettler, who last year beat the Barons in provincial "B" quarter-finals and then went on to win the province.

St. Albert reached the half-way point of the 28-game schedule with 12 wins and two ties for 26 points, six ahead of second place Ft. Saskatchewan. St. Albert also has three games in hand

on the Fort.

The Barons have finished their four-game league series with Wetaskiwin, picking up three wins and a tie.

St. Albert's remaining games include:

Jan. 17 - St. A. at Ft. Sask. 8:30 p.m.
Jan. 22 - St. A. at Ponoka 8:30 p.m.

Jan. 23 - Ft. Sask. at St. A. 7:30 p.m.

Jan. 30 - Leduc at St. A. 7:30 p.m.

Jan. 31 - St. A. at Ponoka 8:30 p.m.

Feb. 5 - Ft. Sask. at St. A. 7:30 p.m.

Feb. 7 - Stettler at St. A. 4:30 p.m.

Feb. 12 - Camrose at St. A. 7:30 p.m.

Feb. 13 - St. A. at Ft. Sask. 8:30 p.m.

Feb. 15 - St. A. at Leduc 7:30 p.m.

Feb. 21 - Drayton Valley at St. A. 4:30 p.m.

St. Albert also has two games to make up, one game at Camrose, the other at Leduc.

Skate-A-Thon message from the Mayor

"Whereas the St. Albert Kinsmen Club has a tradition of making worthy public service contributions to the citizens of St. Albert; and whereas the annual Skate-A-Thon is a principal instrument in raising funds for local community projects; and whereas a large segment of St. Albert's population - particularly the community's youth - participate in the Skate-A-Thon.

Therefore, I, Dr. Richard H. M. Plain, Mayor of the Town of St. Albert, request the citizens of the community to support this worthy event which will be held on February 8, 1976 at the St. Albert Arena."

Thank you, Albertans...

For your help during the recent power shortage.

Without the tremendous response from all classes of electricity consumers, widespread power interruptions could have occurred throughout the entire province. The voluntary restraints by industry, business and individuals saved what could have been many hardships during the extremely cold weather.

The situation arose from a variety of unforeseen problems in generating equipment both in Alberta Power Limited and Calgary Power Ltd. installations, compounded by the uncontrollable delay in the construction of the third generating unit at Sundance.

We're back in business again, thanks to all of you.

Mavericks reach finals in Josephburg tournament

The yuletide is normally a time for sitting around with friends and relaxing but that was not the case for the Bantam Healy Mavericks.

The Healy BB boys took advantage of the holidays to enter the Josephburg Bantam AA Invitational tournament. This 16-team tournament is made up of the better AA teams from the Edmonton Bantam Leagues plus

teams from the surrounding cities and towns.

St. Albert made an excellent showing in their first try and knocked off Edmonton Optimists; Fort Saskatchewan and Great West Life on their way to the finals against the Maple Leafs division leaders Bay Drug. Except for a lapse in the second period, when the Edmonton team rapped in three

goals, the teams played pretty well on a par. The final score had Bay Drug the victors by a 5-2 score.

TASCHEREAU OUT

Actually St. Albert came out double losers in Josephburg as they lost the services of their big, hard hitting defenceman Mike Taschereau for at least six weeks

when he had his collarbone broken in the second game of the tournament.

On January 2nd the St. Albert crew took on the second place team in the Edmonton AA Canadian A.C. Division the North West Commercial Sales team and proved again they can more than compete with city teams as the Mavericks came away with a 9-6 victory.

LOSE TO WETASKIWIN

In Central Alberta Bantam League play the Mavericks lost their first game since the beginning week of play when they were surprised by the fast skating Wetaskiwin Pahl Merc's 5-2 in Wetaskiwin. The only St. Albert players able to score were Peter Twarek and Dave Kreway, although the Mavericks missed enough chances plus three goal posts to have reversed the decision.

Back home the Mavericks wasted little time getting back on the winning track when they met Fort Saskatchewan Brant Flyers. By the middle of the second period St. Albert held a 6-1 lead and the end result was never in doubt as the home team went on to win 9-5. Pete Twarek had a fine day with

one goal and four assists while Breen Neeser and Brad Scott added two goals each with singles going to Dave Kreway, Lorne Christensen, Mike Taschereau and Troy Murray.

On Saturday St. Albert travelled to Camrose to take on the Bulldogs and came away with a 5-3 win. Breen Neeser and Troy Murray led the way with two goals and two assists each while Bernie Joyal added the other.

WETASKIWIN DEFEATED IN ST. ALBERT

The Wetaskiwin Pahl Merc's arrived in town on Sunday, January 11 and with a win over St. Albert the last time out and fresh from knocking over league leading Red Deer on Saturday the Mavericks knew they had their jobs cut out for them. St. Albert started off with a bang and ran up the score to

5-1 by the end of the second period on two goals by Pete Twarek and singles by Scott, Joyal and Shipanoff. Then the action started. At the seven minute mark St. Albert's Dan Neveu received a five minute minor and a two minute minor followed quickly by Troy Murray with a two minute holding penalty and when the smoke had cleared the score was tied 5-5.

With three minutes left Murray took his second penalty (hooking) and the pressure was on but the defence held and at 19.15 Joyal and Twarek broke loose on a fine play only to be stopped by Bailier in the Wetaskiwin nets who kicked out a drive by Joyal, Murray, who had just stepped out of the penalty box picked up the loose rebound and drove in the winner. Next home game Sunday, January 18th at 10:30 a.m., against Leduc.

Quebec - bound Balers thump Ardrossan

New Holland Baler Double B Peewees with only three weeks to go before they depart for Quebec's Winter Carnival tournament, continued to lead the North Central Pee wee League.

On Saturday they travelled to Ardrossan and trounced the third place club 8 to 3.

Brad Hammett paced his club with a six point night. Hammett got a hat trick and set up three others. Sander had two goals, with singles going to Gray, Myck, and Poulin. Assisting besides Hammett's three were Gray and Laplante. Coach Al Laplante had his troupes fly-

ing, in a good all around team effort.

On Sunday afternoon the Balers met the only team to have beaten them this year, the Sherwood Park Load-stars. Balers avenged that loss with a 4-0 win over their arch rivals. In a rough physical game where the Balers were playing short-handed on several occasions, they still managed to come away with the win.

Ron Malo earned the shut-out with many outstanding saves. His team-mates Kelly, Myck, Sander and Poulin did the scoring. Assisting were Hammett and

Laplante with two each. Singles went to Gray, Hunt and Holliday.

The Balers leave for Quebec on February 5 and still need funds to finance the trip. Baler members will be selling tickets on a microwave oven in the Mall on Friday and Saturday and certainly solicit your support. Winner of the oven will be drawn at their January 27th bingo in the Community Hall by MLA E. Jamison.

Next Baler action, January 17. St. Albert vs Sherwood Park D.Q.'s at 11:45 and Sunday, January 18 in Fort Saskatchewan at 11:30.

Big game report

By Bob Brinell
The 1975 hunting season is

unfortunately over. It was too long in coming and when it

got here, all too short. The writer spent a week

stalking whitetails in the Provost area this year.

Whitetails and mule deer were very numerous.

For instance in the six day period the writer was out, 90 deer were personally observed. The whitetails were so numerous that even Hugh Bolton was able to bag a fairly decent buck although it was half blinded by old age. Many hunters this year on the Prairies who thought they were deer hunting were actually practising good conservation, by driving the roads in their vehicles and not walking. While there was no snow until the last day of the deer season, tracks could still be found if one looked closely.

The Fish and Wildlife Division released the 1974 big game harvest statistics some time ago. They estimate that only 4,356 whitetail deer were killed in the province in that year for a 21

per cent success rate.

The number of whitetail deer licenses sold dropped drastically after the switch to just two tags out of five in 1974. In the writer's opinion the 1975 harvest of whitetail will not be much larger than 1974.

The season on whitetails in the Prairies is all too short for the population that exists. It is rumored that there may be a whitetail doe season this year on a draw basis so as to spread hunters around in the various zones and avoid the opening day war.

The Fish and Wildlife Division carried out a very effective helicopter check of deer hunters in the Wainwright, Provost, Hardisty areas in 1975.

The Fish and Wildlife officer involved stated that in one day over 70 hunters were checked by helicopter.

Bruins game time changed

The St. Albert Junior Bruins game against Enoch Tomahawks Sunday is a 7:30 p.m. game and not 2:00 p.m., as shown on the league schedule. All Bruins Sunday

games are at 7:30 as are all weekday games. Don't forget to purchase your lucky number program and catch up on Capital Junior Hockey League happen-

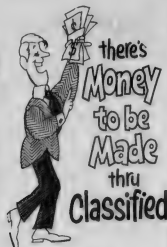

ings at all home games. Enoch Tomahawks have announced the appointment of Len Lundie as coach for the balance of the season.

Len has had many years of

pro-experience playing most recently with the Edmonton Oilers. Len has also coached in Europe and is involved with the Enoch Band Recreational Department.

Kinsmen plan Skate-A-Thon

The Kinsmen Skate-a-thon will be organized along the same lines as last year but the prizes will be more extensive and the club will encourage greater participation by girls, perhaps through school teams in competition.

The Kinsmen are also arranging local business support for the mayor and councillors, and are considering prizes for teachers participating, which will be used to help class projects.

Last year the club raised a net \$16,000 and this year

they are hoping to increase the figure. All funds go to community service work. Pledge cards should be available by January 20th through the schools and Minor Hockey Leagues.

GIBBONS NEWS

By Karen Hogg

It has been one year now since Mrs. Maisie Mettrunc has been the village secretary. She wishes to extend to all the residents of the community a sincere thank you for all kindnesses and co-operations shown during her first term of office.

A plea from the Anglican Church of Gibbons Women asking of the whereabouts of the church records digging back to 1901 is going out. Anyone having or knowing the whereabouts of these records is asked to phone Mrs. Emily Oliver at 923-2370 or just leave the records down at the church. These records hold birth and christenings among other things and there are people who are in need of them. There is also one page which is missing out of these records. Anyone knowing about this page or the record book please act accordingly.

Miss Lorraine Saunders was united in marriage to Mr. Wayne Glubish on Saturday, January 10 at the Highlands United Church in Edmonton. Lorraine is a former daughter to Mr. and Mrs. Will Krebs of Edmonton and Wayne is the son of Mr. and Mrs. Fred Glubish of Calmar. After the wedding service there was a reception held at the Londonderry Hotel. The couple will be residing in Spain.

There will be a miscellaneous community shewer held for Lorraine Glubish (nee Saunders) on Wednesday, January 21 at 8 p.m., in the Sunday School.

The Gibbons Cubs and Scouts are holding a bottle drive January 17. Cubs and Scouts are to meet at the school at 10 a.m.

ATTENTION: VETERANS AND WIDOWS

Mr. Colin A. McKay, provincial service officer from Calgary will be at Legion Branch No. 226 located at Gibbons on Thursday, January 22 during the hours of 2 p.m. to 3 p.m. to give advice on veterans benefits. This gives veterans and widows of veterans an opportunity to discuss your problems personally with the provincial service officer. Anyone wishing to see Mr. McKay is urged to call Mr. Earl Yeo at 923-3323 or write to Branch No. 226 and arrange an appointment.

This is one game you won't want to miss. The Chimos - Edmonton Ladies who hold the title of Western Canadian Champions will be playing the Calgary Wild Roses who hold the title of Provincial Champions on Sunday, January 18 at 4:45 at the Gibbons Arena. Adults are \$1.50, students 75¢. The funds raised help the ladies in their play-off tours. The ladies have no sponsors, so come on out and help them.

On January 25 the Chimos will also be playing our Gibbons Flyers. These are real fun games to watch so come on out and try to catch the ladies on both evenings.

On January 4 Gibbons

Flyers lost to Bon Accord 3-2. January 8 - Namao 6 - Gibbons Flyers 0. Horse Hill 3 - Bon Accord Outlaws 2.

Mike Bochansky would like to thank all the people who helped in remaking the ice in the Gibbons Arena. The ice has been repaired and really looks great. Mike would also like to thank everyone who has complimented the good ice.

Anyone wanting ice rentals is asked to call the arena at 923-2681 or phone Mike at

923-2289 at home.

Public Skating: every Tuesday, 4 p.m. to 5:30. Wed. Thurs. and Fri. - 4 p.m. to 5 p.m. Sunday - 4:45 p.m. to 5:45 p.m.

Sunday will be used for games as required. Please phone or check the board in the arena.

BANQUET ROOM FOR RENT

Anyone wanting to use the mezzanine area is asked to

Sunday night at 8 p.m., in our arena. Sunday, January 4 they beat the St. Albert Toros 6 to 4. Their recent game was with a team called Frontenacs from Edmonton. The scores would rather not be mentioned.

Elections were held last Monday (January 5) at the annual Board of Trade meeting. Elected officers were: Gerry Schindler (president); Dr. Paul Underwood (vice-president) and Mrs. Anne Kryskow (secretary-treasurer). Four directors are Mrs. Eva Quinn, Henry Lamoureux, Lloyd Kachman and Bob Craig. Outgoing directors are Mrs. Rena Bland and Ken Wiesbrott. Past president is Ray Gibeau.

1975 was a very successful year for the Board of Trade. The Board introduced the "Search for Talent Show" which was well attended by contestants and audience. (Audience attendance was down in the 1976 edition). Also organized last year was the "Meet Your Neighbour" night. This year's function will be held on the 22nd of March.

The Board of Trade was also instrumental in organizing and implementing the Morinville Voluntary Ambulance Service. The next move is to get a project underway to help raise funds to purchase an ambulance.

By helping to apply for a grant from the Devonian Foundation, the Board got the ball rolling for the Senior Citizens Committee.

SEARCH FOR TALENT RESULTS

On Saturday, January 10th the Morinville Board of Trade sponsored the 29th annual A.C.T. Search for Talent program in Morinville. Even though there were only 12 entries the adjudicator commented that all of these were top-notch performers. Results are as follows: Junior 1st place - Jamie Barnes of St. Albert (organ solo) and Susan Pitko of Morinville (Highland Dance); 2nd place tied - Colleen Iscke of St. Albert (tap dance routine) and Sister Majeau's grade five chorus. (Happy Wanderer); Variety 1st place tied - Lynn Chalifoux of Morinville (singing one of her own compositions) and Calv-

Congratulations to Mr. Marty Derwin and Doreen Morin on their recent engagement. Proud parents are Mr. and Mrs. Buster Morin of Fort Saskatchewan and Mr. Derwin. Wedding to be planned at a later date.

There will not be any ceramics this winter Jeanne Rowsell reports. Her classes will begin in September

with a ceramic demonstration being held before her new class begins.

The Gibbons Seniors finally put it together on Sunday, January 11 defeating Bon Accord 2-1. With Lloyd Christie scoring both goals for Gibbons.

The Gibbons Indians took a weekend series defeating Horse Hill Hornets 4-1 on Friday, January 9 and Kensington 3-2 on Sunday, January 11 at the Gibbons

Arena.

The Legion and Auxiliary are holding a \$200 beef raffle. Tickets are available from any Legion member. Draw date will be announced at a later date.

Don't forget the Legion bingos which are held every Thursday at 8. This week 55 numbers will be called for the \$125 jackpot.

Anyone wishing news put in the Gazette is asked to phone me at 923-2384 or Post Office Box 21.

Legal Locals

The Voyageurs, Legal's juvenile hockey team, demonstrated how well they could play, by beating the Lac La Biche team, on the weekend, in the Legal Arena. Saturday night they won with a score of 19 - 9 in their

favour and again Sunday afternoon 13 - 4.

They will be playing the Morinville juveniles Friday, January 16, in Legal at 8 p.m.

Extensive fire damage occurred to the home of

Cullen and Lee McGillis. Their trailer, situated just a few miles west of Legal, caught on fire early Saturday afternoon on January 3. They were able to save all their furnishings and both wish to thank the fire department for their prompt response.

The old curling rink has been converted to an ice skating rink; thanks to volunteer forces headed by Frank Volmer, the Morinville Fire Department, and the Town of Morinville (who are paying the utility bills). Public skating will be held as often as volunteer supervision can be arranged; ice then left over will be allotted to group sports (hockey - sweat practice only, figure skating, etc.). Interested parties apply to Doug Ramer at 939-4565.

The Central Surgeon Agricultural Society is still searching for a suitable name for the new multi-purpose building, the one being bandied about last meeting was "Agriplex." Anyone wishing to express their ideas on the foregoing is asked to write or phone Mary Hittinger at 939-4473 or Paulette Houle at 939-4648.

Registrations are now being accepted for mixed curling on Tuesday evenings. Call Colleen Brisson at 939-4525.

The Royal Canadian Legion Service Officer, John McKay, will be in Morinville from 11 a.m. until 12 noon to discuss pension or W.V.A. problems in private with veterans or their widows.

The next meeting of the United Church Ladies Aid will be held at the home of Mrs. Brenda Wright - 9809 - 98 Avenue, on Tuesday, January 20, starting at 8

p.m. Regular members and visitors are welcome. Anyone wishing information on the Ladies Aid may call Jean Robinson at 939-4153.

There will be no more A.A. or Alanon meetings in Morinville. This group has been dissolved.

On December 28, 1975, Art and Janet Krauskopf celebrated a very happy occasion. Danny William Paul, their four year old adopted son, was baptized by Father Primeau in St. Jean Baptiste Church. Proud godparents are Paul Krauskopf and his sister Pauline Wiley. Thirty friends and relatives helped the family celebrate after the ceremony.

Rec. Committee will be holding a meeting at Regional Rec. on Thursday, January 15, at 8 p.m. All clubs are reminded to send a representative.

Morinville Lions Club "Birthday Calendars" are out. Anyone who has not yet received their calendar may call Doug Ramer at 939-4565.

Registrations are being accepted for power skating until Friday, January 16. Lessons will be held on Tuesday evenings. Fees are \$8 per student and there is limited registration. To register contact Rena Bland at Dryden Insurance Agencies (939-4059) or Gwen Schindler at 10109 - 97 Avenue (939-4802).

Morinville Tiny Tots will

be cancelled if the temperature is minus 32 degrees Celsius or minus 25 degrees Fahrenheit or during blizzard conditions. If your child will not be attending in severe cold weather, you are asked to phone morning roster mother Sherry Taylor at 939-4829 before 8:30 a.m.

Mrs. Katherine Lema, mother of Mrs. Joelle Kremer has been in the St. Albert Sturgeon Hospital since December 20th. We hope she will soon be well and home again with her family.

Ladies Take-a-Break begins January 22 from 9 - 11 a.m., at the Sturgeon Regional Rec. (Cunningham School). Registration is \$5.50 or \$6.50 with babysitting. The 22nd will be registration plus an introduction to primitive weaving. The children can be taken to the Rec. Centre. Babysitter will only accept "walking" children.

Marie Paule and Gaston Kremer were in Morinville and vicinity for three weeks and have left for Nanaimo, B.C., on January 6, where they will move into a nice mobile home near Nanaimo.

Reader's co-operation in telephoning or bringing in news items is much appreciated and as early in the week as possible. News reports are completed Sunday evening for delivery Monday morning to the Gazette. Please phone 939-4145 or stop in at 9901 - 99 Avenue.

Morinville Library News

The coldest months of the year are upon us. "The reading months," and there are some new entertaining books to while away these months. Sleepless nights bother you? Then "The Complete Insomniac" by Hilary Rubinstein might help. It is a survey of the latest research into the nature of sleep and dreaming and possible causes of sleeplessness, and suggestions to help the sleepless sleep. A good bedtime book.

Gerald Durrell is well known for his amusing stories of animals and his family. Now he has written a children's fairy story called "The Talking Parcel" it is about a parcel as you might have guessed. In fiction we have received "One Way Street" by Marion Engel who although a Canadian author has written about a mediterranean island. Two historical fiction books: "King's Royal" by John Quigley is about the great whiskey crew's beginnings. And John Creasey that master of detective thrillers has written "The Masters of Bow Street" which is about crime in the 18th century and the first policemen, The Bow Street

Runners as they were called. It costs one dollar per adult and fifty cents per student to join the library and no

further fees required, only fines if books are not returned promptly at the end of the one month loan period.

So please bring books back on time. Sending out reminders means a lot of work for the librarian. Library

hours are: Monday 2 p.m. - 5 p.m., Tuesday 6 p.m. - 9 p.m., Wednesday CLOSED.

Morinville Seniors lose 2nd game

By Marg Bentz

The mighty Morinville Motors have fallen, if losing their second game this season can so be described. Friday night's loss to the ever hungry Calahoo Scorpions (7-4) is really only a bit of "human sticking through." It's reflected in the old adage "you can't win 'em all," and that goes even if you are a first place hockey club.

Things however were different January 6th, at Legal, when the Seniors came roaring back with their third period goals to win 4-3. Legal jumped to an early lead and scored a goal a period for an eventual 3-1 third period advantage. Morinville, in the meantime playing only mediocre hockey had managed but one score by Dex Dertsch on a set-up from Norm Bohl and O'Neil Chevalier, midway through the second act.

The third stanza also went better than half-way before the Motor boys "got it in gear." Team captain O'Neil Chevalier scored twice on power plays; at 12:12 from Dex Dertsch and again at 16:06 unassisted to tie it up, then Randy Labelle connected the winner with less than a minute to go, assisted by rear guard Norm Bohl.

Seniors next play at home on Friday, January 16, at 8:30.

Shaver B lost 4-1 to Bon Accord, Saturday, January 10, however the A's had better luck when they travelled to Redwater on the same day winning their game 2-1 on goals by Casey Bentz (assisted by Darren Pizer) and Glen Witter.

Mite B lost a squeaker 2-1 to St. Albert on Saturday, January 10. Dean Volmer got the Morinville goal. Peeewe B also lost to St. Albert (6-1) the same day.

Bantam A blanked Bon Accord 14-0 Friday, January 9th in Morinville then shut-

out Villeneuve 11-0, Saturday, January 10, at the Sturgeon Arena for goaler Rick Manasterski's fourth shut-out in a row.

Juveniles lost both games to the visiting Fort McMurray teams on the weekend. They next play at home, Sunday, January 18th at 2:15 p.m., against Redwater. These boys are just a cut below Junior B level and are most entertaining to watch.

team, known as "The Good-Timers" who feature senior hockey sans body checking and slapshots, are also enjoying a good year. Sunday evening, January 10, they added another victory to their collection by demolishing Edmonton's "Alberta Government Highways" 15-7. Glen Romanuk and Dave Pizer each picked up four goals, Paul Houle got a hat trick, Leo Lalonde scored twice, while Roger Tourangeau and Al Bentz contributed singles. Next home game is Sunday, January 18th at 8 p.m.

Calahoo upsets Morinville 7-4

Calahoo Scorpions won a pair of games over the weekend in Sturgeon Valley Seniors action to move out of the basement in the seven team league.

Scorpions coached by Stubb Berube, have now won four straight to move into a fifth place tie with Legal.

On Friday night Calahoo upset league leading Morin-

ville Motors 7-4. Randy Yoeman led the way with three goals while Jay McGeough added a pair. Gary Atchison and Frank Banham added the others. Scorpions got some excellent goaltending from Wally Wenck.

On Sunday afternoon Jay McGeough scored both Calahoo goals in a close 2-1 win over Legal Canadians.

play.

In Bantam B action, the Junior Scorpions, under coach Tom Fowler, scored a 5-1 win over Calmar Thursday, January 8th with Darcy Granger and Donnie Fowler scoring two goals each while Bronco Letendre added the other. Tom Fowler Jr. picked up three assists and Grant Berube was outstanding in goal.

Monday night saw the Junior Scorpions travel to Winterburn and come away with a 6-6 tie. Donnie Fowler and Travis Patrick had two goals each with Darcy Granger and Paul McGillis adding singles.

In league play the Junior Scorpions have two wins a loss and a tie in four games.

Saturday night the Junior Scorpions took on Onoway Bantam A in an exhibition game and lost 2-1 with Darcy Granger scoring their lone goal.

Gibbons pioneer passes at 102 years

Mr. Charles Brumfit of Gibbons passed away at the General Hospital in Edmonton, Saturday, January 3 at the age of 102 years, nine months. Family prayers were held Monday evening - January 5th at Gibbons Emmanuel Church. Funeral service was conducted January 6th from Gibbons Sacred Heart Church with interment in the Gibbons Cemetery. The service was conducted by Bishop Gerald Burch, Rev. Tom McNight and Rev. Jack Gibbons. Howard and McBride Funeral Services were in charge of arrangements.

Six grandsons were pallbearers: Keith and Ivan Dawson, Gene Kerns, Allan Oliver, Bill Plumley and David Wearmouth. The organist was Mrs. Emily Oliver.

Predeceased by his loving wife Francis in 1956, he is survived by one son, John C. of R.R. No. 8, Edmonton; five daughters, Mrs. W. S. (Emily) Oliver of Gibbons, Mrs. C. I. (Florence) Dawson of Box 281, Armstrong, B.C., Mrs. J. L. (Ethel) Kerns of Edmonton, Mrs. J. V. (Susie) Plumley of R.R. No. 6, Edmonton, Mrs. Roy W. (Joan) Wearmouth of Gibbons; 19 grandchildren and 40 great grandchildren.

Born at Calford, a suburb of London, England on March 29, 1873 Mr. Brumfit emigrated to Calgary in July 1891, where he worked on the R. G. Robinson ranch, located near the present Glenmore dam. He assisted in the fall round-up under the direction of Charlie Priddis the ranch foreman, riding as far west as Morley, John Ware the famous Negro

cowboy was also a member of the party. He also helped take a trainload of fat cattle to Vancouver in February of 1892.

In April of 1892 Mr. Brumfit decided to move to a mixed farm area and came by train to Strathcona where he crossed the Saskatchewan River on a ferry.

He homesteaded on the site of the new south subdivision of Gibbons and resided there for 75 years. The farm was located on the old-Athabasca Landing Trail so he joined many other homesteaders in hauling freight using both oxen and horses. In 1904 he took two loads of freight, for the H.B.Co., to Grouard on the western shore of Lesser Slave Lake.

In 1905 he married Frances Elizabeth Close, daughter of an immigrant family

from Nebraska who had arrived a couple of years before. Their home became a centre for community activities. Mr. Brumfit played the violin and his brother Hugh was an excellent pianist, so they were much in demand in the early days, when the piano would be loaded on a sleigh and transported to various schools and houses for the usual old time dance and social activity. Mr. Brumfit took an active interest in all community activities. He was a trustee and secretary of Cruzeot School District No. 34; a member of the community hall board; one of the original members of the Alberta Wheat Pool and the local seed cleaning plant. He also was very interested in young people and their activities and was affectionately known as "Poppa" by many in the

district as well as his own family.

The couple marked their Golden Wedding February 22nd, 1955 with an anniversary party and the family gathered for a most enjoyable birthday celebration for Mr. Brumfit's 100th birthday on March 29th, 1973.

A strongly religious man, Mr. Brumfit was a lifetime supporter of the Anglican faith and a member of the Emmanuel Anglican Church which he helped construct at Attenburg, four miles northeast of Gibbons in 1906. He was also instrumental in moving it to Gibbons in 1935. At his passing he was the last surviving member of the original Anglican organization Synod held in Edmonton in 1913. He remained a synod member and delegate continuously for over 60 years.

seven per cent decrease compared with the preliminary estimate for the crop year just ended.

"The sharp deterioration of the Soviet wheat crop and their resultant need to purchase grains from 'Western' sources," says Mr. Perkins,

"is providing the major stimulus to wheat prices." Wheat crops in Europe, especially those in the communist bloc, also aered well than had been anticipated. Although there will be a need for additional imports in these areas, a large pro-

portion of these losses have been offset by the record U.S. wheat crop, currently estimated at over 58 million tons.

Despite the indicated sharp increase in projected imports by East Europe and the Soviet Union, total world imports are not expected to increase dramatically because of an expected decrease in the demand from China and Asia.

Fundamental market forces indicate a downward trend in feed grain prices in the coming months is more

likely than a repeat of last season's record high levels.

Mr. Perkins says that coarse grain supplies are expected to be more readily available in 1975-76 and that consumption is expected to increase only moderately, thereby allowing a build-up of carryover stocks. In the final analysis, however, the supply and demand picture will depend almost entirely upon the feed grain situation in the United States and the amount of grain they will be willing to sell to the Soviet Union in the coming months.

HORSE HILL NEWS

By Peggy Wenzel

On Monday, January 19 the U.F.A. are holding an Oil Agents Appreciation Night at the Horse Hill school gym. There will be a full length Walt Disney movie entitled "The Greatest Athlete in the World" and lunch will be served. All families of the district are invited and there is no admission charge. The program begins at 7:30 p.m.

The annual meeting of the Horse Hill Community League will be held Monday, January 26th at 8 p.m., in the meeting room - kitchen area of the school. Committee

reports will be given and election of officers for the 1976 year will take place. Members are urged to attend and a warm welcome is extended to all residents of the district.

Bring your sweetheart to the 1st Evergreen St. Valentine's benefit dance being held Saturday, February 14th at the Horse Hill School. There will be dancing to the Cross Country from 8:30 p.m., until 1 a.m. and a smorgasbord will be served at 10 o'clock. For tickets at \$9 per couple, phone Peggy Farrell at 973-3878.

Radials not as good as snows?

Findings of the National Safety Council could extinguish some doubts about substitution of radial-ply tires for snow tires. But their conclusions aren't too promising for radial advocates, says the Alberta Motor Association.

The Safety Council conducted tests in an effort to help localities determine whether to accept radials in lieu of conventional snow tires. Their findings claim that "... snow tires provide more traction over a reason-

ably wide range of snow-covered road conditions than conventional radial tires that do not have a snow tread."

A representative of the Council added, however, that the range of performance of radial tires was quite broad. Some exceeded conventional highway tire performance, while others fell short.

Conditions in the tests ranged from one inch of medium-packed snow to as much as eight inches of loose snow.

BON ACCORD NEWS

By Sadie Allen

A good crowd turned out to enjoy the variety concert held in the Bon Accord Community Centre on January 10. Dance numbers featuring the classes of Mrs. Marion Nicholson from Gibbons and Bon Accord were applauded by the crowd. Solo dances were performed by Mrs. Nicholson and Marney Twigg of Edmonton and Rita Allen and Carol Murphy danced an Irish Reel and a jig. Several accordion solos by 10 year old Andrew Herriot of Edmonton and songs by Tracey Spencer accompanied on the guitar by Harold Talley rounded out the program. Queen candidates for the Bon Accord Winterama were introduced by representatives of the sponsoring clubs, for the LCC, Cheryl Rosen was introduced by club pres. Rose Ruth, for the Ag. Society, Donna Schiffer for Ag. Pres. Wes Carleton and for the 4H Clubs, Vivian Owens by Edith Kowalski. The girls will be calling on you with tickets. Please give them your support.

In the contest to choose a name for our winter carnival, the name submitted by Mrs. Rose "Ruth" Bon Accord Winterama" was accepted and the cover design for the programs submitted by Mr. Nigel Mansfield was given first place. Both winners will receive a family pass to the festivities on Friday, January 30, starting off with an Ice Show at 7:30 p.m., which will feature the Alberta Champion Novice skater and the 3rd place couple in the pairs skating, from the Royal Glenora Skating Club in Edmonton, followed by the crowning of the Queen and

the family dance to be held in the auditorium of the arena. Vic Lillo's band will supply the music and there will be lots of prizes given throughout the evening. No age limit for this dance.

On Saturday, January 31 a mini-mile tournament will kick off at 9 a.m. In the evening the grand opening of the arena will be held followed by a closed dance with music by the Satellites. With the additional room provided by the arena auditorium, 150 tickets will be sold. Tickets may be obtained from Pauline, 921-3625 or Doreen, 921-3581. Tickets are \$10 per couple. Sunday, February 1 will feature a NHL (No Hitting) tournament starting at 9 a.m., the Senior Wildcats playing Morinville at 2 p.m., followed by the NHL finals in the evening. Price for the whole day is \$1.50 for adults and 75 cents for seniors and students. On Thursday afternoon, January 29 the elementary school and Tiny Tots will be putting on their show, price \$1 for adults, 50 cents for 6-16's. Friday's festivities will cost adults \$1.50 with 75 cents for 11-16. Ice sculptures will be judged at the arena on Sunday. Anyone wishing to participate in this contest may make their sculpture on plywood at home and bring it to the arena for judging. Again this year the organizing committee is asking for contributions of goodies for sale at the booth e.g. cupcakes, popcorn etc., that can be sold for a dime.

Church service at Holy Trinity Anglican will be held at 7 p.m., on Sunday,

January 18 followed by the congregational meeting.

POWER SKATING

A senior power skating instructor's clinic will be held on Sunday, January 25 from 11 a.m. to 1 p.m. This clinic is open to anyone in the Sturgeon rec. area.

Winner of the Coleman Heater raffled by the Cubs and Scouts was Mr. Les Douchette of Edmonton. A skating party for Cubs and Scouts is on tap for January 18th at the home of Gordie Goringe and a camp-out is planned for the following weekend, weather permitting. Rag collection is still being carried on by the boys with a preference for coltons. However any type will be accepted and appreciated.

The rug raffled by the Local Association for Guides and Brownies was drawn by Mrs. Lesyhen and won by Gail Kitzul. A spring tea is planned for March 13 - convener, Mrs. Diane Hartley. Food committee consists of Mabel Veran and Rita Milligan.

CRAFT CLASSES

The first of a series of craft classes planned for the New Year started on January 14 with basketry instructed by Doris Carleton. This is a four-week course, cost \$3.00. Yoga gets underway on January 19 from 8 - 9:30 p.m., at the home of Mary Leblanc, 4923 - 51 Avenue. This is a 10 week course, costs \$10 and is limited to 10. Anyone wishing to take this course MUST pre-register with Pauline, 921-3625, Doris 921-3686 or June, 921-3589.

CROSS COUNTRY

Cross country skiing is

coming up either the first or second weekend of February. If you would like to try cross country skiing, skis and equipment may be rented - anyone wishing info on this call Pauline at 921-3625.

A preliminary meeting for those wishing to take the furniture finishing (wood) course will be held on March 2 at 7:30 in the Bon Accord Community Centre. Furniture to be finished, it must be a small item, must be brought to this meeting. The course itself will be held on March 22, 23, 24 and 25. The cost is \$12.00.

4H NEWS

Two reports on 4H Food Club meetings have been submitted by club reporter, Sharon Tighe: On Dec. 22 the club held its sixth meeting at the home of leader Mrs. Edith Kowalski and enjoyed a really fun Christmas party. Since it was Christmas no minutes were read and no clean-up re-ener. Mrs. Kowalski said she would do the cleaning up as her Christmas present. As has been the custom ever since the club was started, members made Christmas goodies for community members in hospital. Group 1 made two Gingerbread Houses, Grade 2 made caramel popcorn balls and 3 and 4 made fudge. Each member also made something to take home. Group 1 made a sled with Santa on it from a chocolate bar and candy canes, 2 made snowflakes and 3 and 4 made Christmas trees from material - a Merry Christmas and Happy New Year to all.

On January 6 the club started off its seventh meeting by saying the pledge and singing O'Canada led by

Betty Kushak and Shannon Tighe. For roll call members told their favorite present, then formed groups for the evening's activity. Group 1 made fruit salad, 2 - a jello which they set outside to cool (dog really enjoyed it) 3 made a vegetable dip and 4 a pie.

Unlike other years the 4H Food Club was unable to find anyone from the district who was hospitalized over the holiday, (fortunate people) so the Christmas treats made by the members were given to the Children's ward at Glenrose Hospital. The following are letters of thanks received:

My name is Michael Char-chuk. I am 10 years old and in grade 5. I had an operation on my back and have to lie on my back for about four months (at least that's what my doctor said). I will be able to go on a past for Christmas though. I live in Smithers, B.C. That is over 100 miles from here. Thank you for the Gingerbread House, popcorn balls and candy. We had a draw to see who gets the Gingerbread House and I won. -- Your friend, Michael.

Dear 4H Club: I've written to thank you for sending the gingerbread house, popcorn balls and candy. The gingerbread house is looking great and we're going to draw for it. Our room is decorated here and there and we've got a big tree. It looks nice too. I'm 13 and live on an

acreage. I'm not in a 4H club but soon hope to be as we're getting horses soon. Thanks for everything, Linda Foster. Several more letters were received by the club all showing just how happy the kind gesture of the Bon Accord Food Club members had made them. A pat on the back to you all.

For January 18 the bingo jackpot is \$350. In 54 numbers. The consolation was won by Mrs. Durr, the bonanza by Thalia Critchley.

Craft class - February 11 - macrame and jewellery making (pearl beads) six week course with Pat Reichle instructing. The registration is \$4.00.

A win and a loss for Bon Accord hockey teams with the Outlaws downing Gibbons 7-5 and the Wildcats losing to Gibbons seniors by a 2-1 score. Games coming up for the Wildcats - Jan. 18 Bon Accord at Calahoo at 2 p.m., Jan. 25 - Gibbons at Bon Accord. Outlaws: Jan. 15 - Bon Accord vs Cougars at Jan. 18 - Bon Accord vs Horse Hill at 8:30 and Jan. 25 - Naima vs Bon Accord at 8:30 (home games).

The UCW evening group will meet at the home of Janice McDonald, 3219 - 47 Street (Rogelgen Sub.) at 8 p.m., on January 20.

M.F.C. Meeting

By Lucienne Montpetit
The M.F.C. held their monthly meeting at the Legal Rec. Centre on January 5. Despite the very cold weather a number of ladies attended. The meeting opened with a hymn.

Secretary Laurette Pellerier read the minutes of the last meeting and gave the financial report. She read a thank you note from Sister Simard written on behalf of Sister Blanchette, thanking the MFC members for their thoughtfulness and appreciation for the lovely bouquet of flowers she received during her illness. Laurette also gave the financial report on the supper which netted \$276.43.

The meeting agreed to donate \$75 to the Parish. The president would like to thank

all those who helped in anyway to make it so successful.

Father Bissonnette read the gospel and a discussion followed. He also encouraged everyone to take the Christopher course and the course on Christian Faith.

The Chateau committee reported that their Christmas program along with Santa's visit and gifts for the Senior Citizens at the Chateau and the patients at the Lodge was very successful and they thanked all those who made it possible to bring a bit of cheer to those less fortunate. The committee will also hold a bingo at the Chateau and the proceeds will be to pay for the gifts.

The meeting closed with a prayer, and lunch was served.

NAMAO NEWS

By Norma Crozier

The Namao 60+ Club met in the Community Hall on January 8, but due to the inclement weather and the flu bug only 16 members were present. The secretary

read a letter of thanks from Bissell Centre for the Christmas food hamper. A letter of condolence was sent to Mrs. Susie Plumley, in the loss of her father, Mr. Charles Brumfit who passed away in

his 102nd year. Happy birthday was sung to Mrs. Daisy Craig. Mrs. Millie Stanton is acting as luncheon convener until Mrs. Alice Kreller returns. The next meeting will be held January 22 at 1:30 p.m. All senior citizens of the Namao district are cordially invited to attend.

A shower honouring Miss Lynn Horricks will be held in the Community Hall on January 27th at 8 p.m. Lynn will be married to Edward Busbie on February 21 at Namao United Church.

Get well wishes go out to many Namao residents this week. To Colin Robertson who is in Royal Alexandra Hospital, to Mr. Lewis McLay, Mrs. Beverly McCracken and Mr. Roy Davis who are all recuperating at home. We hope they will all be well again very soon.

AROUND STURGEON

VIMY NEWS

By Darlene Provencal
Well now that the holidays are over I hope things will settle down so I can start reporting regularly again. I trust you all had a good holiday season.
Denis and Patty Borduzak had a pleasant surprise on Christmas Day and it wasn't Santa Claus delivering this little bundle ... it was the stork. Congratulations to you both on the birth of a baby boy, Curtis Mathew, on December 25th, weighing 7

lbs. 6½ ozs. A brother for Stacy.
Congratulations, also, to Milton and Joyce Sterling on the birth of their second child, a baby boy on December 23.
Then on December 28 Louis and Madeleine Tieulle of St. Albert, announced the safe arrival of their new son, Robert Lee, 7 lbs. 11 ozs. Proud grandparents are Mr. and Mrs. Ed Sabourin. This

has been their third grandchild in four months. Best wishes.
Visitors in our area over the holidays were: Bill and Elaine Emms and family from Mackenzie, B.C., spending about a week with their friends, Hector and Glenis Huot and family; Lionel Limoges came from Weyburn, Sask., to spend a week visiting his parents, Roland and Lea Limoges; Mrs. Frank Doll of Winnipeg

spent a few days with her sister, Mrs. Alberic Landry; Mr. and Mrs. Tony Gulka were pleased to have her sister and brother-in-law, Stanley and Theresa Weston and family visit them from Calgary; Mike and Evelyn Hein and family from Grande Prairie were here for Christmas to spend some time with parents, Mr. and Mrs. Ed Sabourin. While they visited with many relatives and friends; Roy and Merle Cunningham and Annette

were happy to have Roy's sister, Diane and her husband, Ken Stephens visit with them from Whitehorse; Roland and Judy Provencal and family from Rocky Mt. House and Moe and Anne Provencal and girls from Peace River were visitors at the home of Leo and Darlene Provencal and family.
Bob and Carol Burns and Patty motored to Calgary to spend Christmas with Carol's mother, Mrs. Phyllis Swerdphleger.

feeling better now.
Sincere condolences are being sent to the family of Mr. Herman Ringuette, 49 years, who passed away suddenly on Christmas Day. Funeral services were held in Vimy on Tuesday, December 30th, with Fr. Viel officiating.
Congratulations to Laurier Fortier, son of Mr. and Mrs. Albreda Fortier, on his recent engagement to Miss Pauline St. Jean, daughter of Mr. and Mrs. Raoul St. Jean of Legal. The wedding date has been set for June 26th, 1976.
On January 7th Mrs. Hamelin from Ottawa arrived at the home of her daughter, Mrs. Jerry Arlow to spend a few days before leaving on January 14th, with Mr. and Mrs. Jerry Arlow and Mrs. Francis Arlow, for Hawaii. They will be spending a whole glorious month there.
Leaving on Monday, January 12th for Hawaii to spend two weeks are: Mr. and Mrs. Alphonse Biledeau, Mrs. Annette Parent, Mrs. Violet Lachance, and Mrs. Harriette. Have a wonderful trip.

The "best of luck" is being wished for Denis Landry, son of Mr. and Mrs. Ulric Landry, who made the decision to join the Army. He left on Friday, January 9th for 11 weeks to begin his Army training at a camp in Cornwallis, Nova Scotia. After that his training will continue at Wainwright, Alberta.

Mr. and Mrs. Philip Fagan spent several days in Fort McMurray visiting their son Rolly and his family.

Dick Despina travelled to Slave Lake to visit his son Louis and Judy and family. Also visiting them at the same time were Ed and Sandra Despina and family.

Roy, Merle and Annette Cunningham motored to Camrose to spend several days with Roy's sister, Mr. and Mrs. Bob Laun and family, shortly before New Year's.

Mr. Fern DeChamplain, who is still unfortunately in an Edmonton hospital doing therapy after a serious farm accident this fall, was very happy to spend some time at home during Christmas and again at New Year's. Sure hope you'll be home to stay before long.

Shortly before Christmas, Mr. Alberic Landry became ill and had to be hospitalized for several days. Hope you're

NOTES FROM AGRICULTURE CANADA

Birdsfoot trefoil is a valuable legume crop for places where alfalfa can't be grown. Now, thanks to tests conducted for more than a decade by Agriculture Canada in the west, its performance can be measured against that of alfalfa.

In well drained areas, birdsfoot trefoil yields are 25 to 30 per cent less than alfalfa. It is not as drought tolerant as alfalfa or sweet clover, but it can withstand spring flooding better. Trefoil's winterhardiness is lower than alfalfa's.

But it has never been known to cause bloat and it will produce on poorly drained or acid land.

Two Canadian varieties were found to be the most winterhardy and to have the highest forage yields of all birdsfoot trefoils. Leo is a variety developed at Macdonald College near Montreal. Cree is a new strain, bred at Agriculture Canada's Saskatoon, Sask., Research Station. Cree is superior in seed yield.

The varieties Viking and

Maitland are popular in eastern Canada, but lack winterhardiness in western Canada.

Agriculture Canada's plant breeders have developed four new tomato varieties for the west.

Booster, originated at the research stations at Morden, Man., and Lacombe, Alta., is an early, home garden tomato of the bush type. Melfort is another early, home garden tomato, developed at Morden and Melfort, Sask.

Pembina is a market tomato, developed at the Portage la Prairie, Man., sub-station especially for the southeastern Prairies. It is excellent for tube type packaging and matures about a week earlier than the most commonly planted variety.

Redstaker is another market tomato, developed at Morden. It is an early tomato of the vine type, which ripens and colors well under controlled storage conditions.

Foundation seed of the four new varieties is maintained at the Morden Research Station.

Improvements due on highway signing

Dr. Hugh M. Horner, deputy premier and minister of Transportation has commented on the Alberta Motor Association report on Highway Signing and route marking which was presented to him last month for his consideration.

Dr. Horner indicated that he was pleased at the scope and substance of the report and noted the recommendations largely support his own findings since he became minister of Transportation.

While the report says that

Alberta compares favourably with other provinces and the United States, it stresses the need to re-evaluate our signing policy for smaller communities, tourist and recreational facilities, and mobile home parks, in terms of "people's" needs.

The minister states - "I cannot agree more, and you will see many of the Alberta Motor Association recommendations included in our new signing and route marking policy, which will be announced later this winter." A Departmental Committee has been examining the entire signing policy and the Alberta Motor Association report will become an important input into the deliberations of the committee. The recommendations for improved route markings in Edmonton and Calgary, with one alternative being a different colour route marking being allocated to each route, will be discussed with the cities by the office of Urban Transportation.

The difference between 'old' and 'elderly' is often merely a matter of income.

How much income do you expect to receive at retirement, over and above your Canada or Quebec Pension Plan benefits and perhaps your employer's pension benefits? Is it enough? If it isn't, the rest is up to you.

Let me show you how tax deferral can help build your retirement savings. Together we'll design a plan just for you.

DECORATING TIPS
 HOW MUCH PAINT SHOULD YOU BUY?
 A quart of paint should cover 100-125 square feet of normal wall surface. Rough, textured surfaces will absorb more paint.
 Measure the wall area to be painted before ordering. It is more economic, if more than three quarts are needed, to buy in gallon quantity.
 Check the label on the paint for expected coverage since paints vary slightly. Always keep the colour numbers on the can in case you need to order more.

VILLENEUVE REPORT

By Margaret Borle
Baby-girls are in the news. On December 2 Mr. and Mrs. Rene Victor welcomed a daughter Gail Mary. On December 18 Mr. and Mrs. Jim Ganton welcomed their

first child, a daughter Krista Marie. Not to miss the December girl-baby boom, Margaret Marie, infant daughter of Mr. and Mrs. Armand Renaud was born. Congra-

tulations to the proud parents and grandparents.

The holiday season always is happily punctuated by the

return of our young people. Lina Soetaert spent the holiday at her parental home, she returned to Vancouver the Sunday following New

Year's.

Bernadette and Bill Ritchie accompanied by Mary Ann and William spent the holiday season at the Charles Victor home. Mr. and Mrs. Douglas Victor and two daughters were visitors at the C. Victor home.

Welcome home to Pauline, Al Ballachay and son Jason. They have spent the last two years in Vancouver but are presently at home in Edmonton.

Mr. and Mrs. Maurice Demers and family have moved into their new home

in Villeneuve.

Mr. and Mrs. Luke Majeau and son Brian spent a holiday in Texas visiting with daughter Linda and her husband.

The ladies of the Villeneuve CWL entertained their husbands at a Christmas wine and cheese party.

Cheri and Greg Pumble returned to the home of Mr. and Mrs. Andre Borle on December 12. Both had spent the past year teaching in Perth, Australia. They are now enjoying the Australian school system's summer holiday.

Global Grain prospects 1976

Although international grain prices have slumped somewhat from their speculative highs of August and September, there is little reason to fear a continuing decline as was the case during the first half of 1975.

"Total production is currently expected to be about the same as the revised estimate of 921 million tons for the 1974-75 crop year.

However, distribution of the 1975-76 production is significantly different to that of 1974-75, and it is this fact that partially explains why current prices are some 30 to 40 per cent lower than they were this time last year.

Another factor is that there is more certainty now with respect to available world grain supplies than there was this time last year. All that was known at the end of 1974 was that world supplies would be tight at least until

the 1975 Northern Hemisphere crop was harvested.

The most serious crop failures in 1975 which prevented the much needed growth in world food supplies, occurred in the Soviet Union and Europe. The Soviet crop, now confirmed a disaster, yielded only 137 million tons, some 60 million tons less than last year's rather mediocre harvest.

Although Western European production was fair by historical standards, it was down seven per cent from the record 1974 crop. East European crops also suffered from less than favorable weather and now appear to be about five per cent less than the last crop year.

However, these crop failures were for the most part offset by excellent crops in Asia, North America and parts of the Southern Hemisphere. India and China, for

example, both claimed to have achieved record food production. The United States also harvested record wheat and corn crops and boosted their total grain output by 43 million tons to achieve a massive production of 242 million tons. Canada's total grain harvest should approach 34 million tons, which represents a 16 per cent increase over 1974's poor production level.

Australia's grain harvest is now in full swing. It is expected to reach 16 million tons, some four per cent less than 1974's excellent crop, but much better than had been expected following that country's very dry seeding period.

In contrast to their poor 1974 harvest of less than six million tons, Argentina appears set to reap a bumper wheat crop of more than eight million tons. Other Latin American countries are expecting reasonable grain harvests except for Brazil where the severe frosts of last July ruined the wheat crop. However, Brazil's base for soybean production was unaffected and a further gain of 20 per cent over the last crop year is expected.

In 1974, because of crop failures in most leading surplus producing countries, the importing nations were af-

raid that their needs would not be met and, consequently, contracted their supplies wherever possible very early in the crop year. This buying boom caused prices to skyrocket in the fall of 1974. Since this has not been the case in 1975, prices are correspondingly lower than they were a year ago.

United States Department of Agriculture analysts are predicting a record high year in world grain trade despite the current lag in export business. Much of this expected increased business is based on the Soviet Union's crop failure and their need to import a massive volume of foreign grains.

It is believed that as the additional demand, other than that of Soviet origin, begins to show itself, prices will start to show some strength. Other factors which could aid this strengthening include a general improvement in world economic conditions, a continuing tight holding policy by farmers and concern for winter crops in the Northern Hemisphere.

Current conditions suggest that grain prices may have reached their seasonal lows. Rather than a continuing slump like that of last year, it seems more reasonable to expect at least some minor improvement in price levels in the early months of 1976.
